FOR SALE

360 acre farm for sale to liquidate estate, located 60 miles N.W. of Chicago, 3 miles from railroad station, with good transportation. Buildings consist of large 8 room modern home, 6 room tenant house, large dairy barn for 60 head of cattle and young stock, horse barn for 10 head of horses and riding ponies. Cement silo, milk house, corn crib, granary and all other buildings required on a farm of this size.

There is a beautiful 100 acre spring fed private lake on the farm. It is all surrounded by large hickory and oak trees. The lake has been stocked with fish and has never had any public fishing done on same. The farm has been all stocked with pheasant and game birds and has been held as a private hunting reserve for many years.

There are about 100 acres of beautiful timber, that lies high and rolling. The lake affords wonderful fishing, swimming and boating and is entirely isolated from any road by the timber. There is an abundance of good work land. It is very productive. At the present time it is operated as a profitable dairy unit.

Buildings were built and the lake developed by a Chicago millionaire, who has since passed away. This is possibly one of the last lakes left in the Chicago land, that is privately owned on one farm. The stock can be purchased with farm, if desired. There is approximately $100,000.00 invested in this farm, but for quick liquidation, can be purchased at a price of $30,000.00.

Also

160 acres, with good modern, 8 rm. house, large pine trees around the buildings, large dairy barn, tenant house. 30 acres of oak and hickory timber and 3000 feet of wooded lake frontage. 2 miles from railroad station, very good transportation to and from Chicago.

This farm has been owned by the one estate for many years and has always been a profitable farm, overlooking a beautiful golf course. Buildings set back some distance from the road.

This is being offered for liquidation at a price of $16,500.00. If interested, write for pictures or would be glad to show you the property by appointment only. Those properties must be sold at the fractional price of cost. Possession at once, if desired. Address Liquidating Agent, Barrington Review No. 2747.
