VOLUME 14, NUMBER 9

E. J. Langendorf Named Postmaster Barrington Office

SPRINGFIELD, Feb. 26.—The state administration's proposal to assume its share of the expense of building and maintaining state routes through all Illinois cities and villages, without the discrimination that exists now, has received the sanction of the state highway advisory board.

The board condemned the proposed reduction in motor license fees as an infringement on the road bonds which they said "constitute a first lien" on the license fees. If effected, this reduction, the board said, would jeopardize payment of the bonds and interest and leave no surplus for the maintenance of completed routes.

Reduction of the state's share of gasoline tax collections, the advisors asserted, would delay seriously the task of completing the comprehensive highway system that has been twice approved by the people through its referendum vote.

In general, the board's recommendations are that the General Assembly "preserve intact the present sources and the present distribution of motor license fees and gasoline taxes."

Schauble Garage Takes Studebaker

SCHAUBLE Bros. & Collins, owners of Barrington's first automobile garage and repair business, which has been developed into one of the leading establishments of the kind in this vicinity, announce today their appointment as Studebaker dealers for the Barrington territory.

Schauble Bros. & Collins have long been Oakland-Pontiac distributors for this territory, and their acquisition of the new agency places them in the foremost ranks among automobile dealers of the Chicago suburban area.

The Studebaker agency is recognized as a most important one in the automotive field, and it will be the consensus of opinion that it has been placed in good hands here.

The Studebaker will be shown and serviced at Schaubles Bros. & Collins' garage at 117 N. Cook street.

STATE REFUNDS LARGE SUM TO USERS OF NON-TAXABLE GASOLINE

SPRINGFIELD, Feb. 26.—A statement of the refunds made by the state department of finance on non-taxable gasoline, issued by Director Garrett K. Kinney, shows that between August 1, 1929 and Jan. 31, 1931, the state disbursed \$1,159,893.84 upon the approval of 56,000 claims. The law provides that only gasoline that is consumed by motor vehicles used on the highways of the state is taxable. Users of gasoline for other purposes are entitled to reimbursement.

Agricultural groups were refunded \$429,977.88, almost half of the total.

REPORT A. W. MEYER'S CONDITION SATISFACTORY

A. W. Meyer, former mayor and for many years a leading merchant of Barrington, underwent an operation at the Hennepin Memorial Hospital, Chicago, Thursday. Latest reports were that he was resting easily and that his condition was satisfactory.

Mrs. Meyer returned Sunday from the sanitarium at Hinsdale and is at home here, but is confined to bed.

Annual Banquet of Commerce Group Attended By 100

Nearly one hundred business men and their wives attended the banquet of the Barrington Chamber of Commerce at the Methodist Episcopal church basement dining room on Wednesday evening and enjoyed one of the best dinners that has ever been served at the annual affair. They arrived excellently prepared, splendidly dressed and bountiful in quality, the dinner brought many compliments to the Ladies Aid Society of that church.

Community singing, led by the two musical men from Chicago, King and Terry, quickly dispelled stiffness and formality and induced a feeling of warmth and the same fair in their specialties and their robe act rendered fine entertainment.

The Barrington Hudson-Esser Company in an hundred inches of display space presents a view of the activities and high school orchestra of northern Illinois will be held at Rockford Friday, March 13. The contest for pupils entering as soloists takes place on the same day.

W. N. Sears of 500 Grove avenue has three orchestras entering the contest: the grade school orchestra of Dundee class E, consisting of twenty-four members; the high school orchestra of Dundee, Class H, with a membership of thirty-one, and the McHenry community high school orchestra, Class G, consisting of thirty members.

In the solo contest Mr. Sears has thirteen pupils competing for honors. Four weeks later the district contest for school bands will be held at St. Charles. Mr. Sears has two bands entering: the Crystal Lake grade school band, Class E, with a membership of thirty-two, and the McHenry community high school band, Class G, with a membership of forty-four.

That this business is expanding and has taken over the Sinclair Super Service Station at North Hough street and the Northwest highway is another of the proverbial straws which show the direction of Barrington's prosperity winds.

Frank Klingenberg, son of Mrs. Clara S. Klingenberg of Cuba, township, filed at St. Louis last Friday to attend a convention of Curtis airplane dealers. Mr. Klingenberg is taking a course for a commercial pilot's license at the Curtis Reynolds airport at Glenview.

Some of Barrington's Prominent Business Men

The Review's artist peeped behind the scenes at the first rehearsal for "The College Flapper" last night. Here's the way Martin Schreiber, Mayor Cadwallader, and other well known business men were "practicing" he learned for the Lions Club play next Thursday and Friday nights.

Lions Club Stages College Flapper With Cast of 100

On next Thursday and Friday nights, March 5 and 6, the famous collegiate comedy, "The College Flapper," will be staged at the Catlow theatre under the auspices of the Barrington Lions Club for the benefit of the Boy Scouts. It promises to be one of the biggest home talent shows ever staged in this community and includes a cast of 100 local people.

Included in the cast are a number from the personnel of Jewel Tea Co., Inc., who have attained local fame as distinctive artists of ability and distinction since their presentation of the Jewel Minstrel and their participation in a number of other amateur theatricals here.

It is a comedy of American college life and has a number of hilarious comedy spots. This show is being staged throughout the United States and in Canada and has been a tremendous success. Those who have seen the show claim that no one could afford to miss it. The show is a story of the homecoming at Bala Bala college and is collegiate in every way. Besides the play proper, it has a number of special features.

The setting of the show is a sorority drawing room. The play opens with the college alumnae girls serenading the sorority girls Jerry Watson, the star football player (Victor Norton) is supposed to be at a special football practice but instead is at the sorority house making love to his girl, Jean (Doris Stewart), which is against the rules laid down by the coach (E. M. Schermer). The coach sends Monk, the trainer (A. W. Davis), over to the sorority house to tell him Jerry sees him coming and knows he will be expelled from the team if caught there, so with the help of his girl and one of the trustees, Bill (H. O. Davies), he hides in the old housemother's room. The old housemother has left and the new one is coming the next day and has her clothes in this room. In order to sneak out of the sorority house, Jerry puts on the housemother's clothes, but in trying to escape he is caught and mistaken.

School Leads in Tax Rate Jump; Cuba Rate Lower

Tax rates of the various taxing bodies which go to make up the \$620 total rate for the Lake county side of Barrington were announced today by County Treasurer Jay B. Morse.

The total rate as stated two weeks ago is an increase of 37 cents over

the rate of a year ago. School district No. 4 contributes 33 cents of the increase. The village rate remains the same as last year and the village bond rate is 3 cents lower.

Cuba Rate Decreases

Cuba township's rate is 12 cents lower than last year and its road and bridge rate is 3 cents lower. The total rate in the township outside of school district No. 4 is \$1.66 compared to \$1.58 a year ago. This is a reduction of district school taxes, which vary throughout the township, but includes the community high school district No. 123 tax, which is 31 cents this year, 1 cent higher than last year.

The total tax rate within the village for the past three years follows:

1922, \$4.68; 1923, \$5.80; 1924, \$6.26.

School district No. 4 rate for the three years was: 1922, \$2.00; 1923,

\$2.98; 1924, \$3.31. The village rate:

1922, \$7.73; 1923, \$8.84; 1924, \$8.84.

The village bond rate: 1922, \$4.11;

1923, \$3.36; 1924, \$3.33. The park district rate, agreed for the first time in 1922, was \$1.12; 1923, \$1.23. The village rate includes the library tax.

Romance of Today Shown in Current Catlow Feature

Romance up to date is the theme of "The Princess and the Plumber," featuring Charles Farrell, which plays the Catlow theatre tonight and Friday.

Time was when only a prince could marry a princess, but in these modern days almost anything can happen. This is especially true in "Dorothy," a little Balkan princess, whose lonely princess is Maureen O'Sullivan.

The arrival of a young American engineer and the ensuing love affair with plenty of comedy and surprises occurring before the final fade out. An "Our Gang" comedy will be shown on the same bill.

A tri-motor transport plane was chartered for thrilling air scenes in "The Bachelor Father," Marion Davies' new starring vehicle which will be shown Sunday and Monday nights at The Catlow theatre. Ralph Forbes plays opposite the star in the romantic lead and O. Aubrey Smith plays the title role which he created on the stage in the David Belasco hit.

Britain's aristocratic and sporting society, with its gaiety and pomposity forms the plot substance for Charles Rogers' latest starring picture, "Along Came Youth," which will be the Saturday night offering at The Catlow theatre.

Rogers is seen as the young American who is stranded in London with no money and a bad-tempered racing horse. He is forced to take a job as a chef in a swanky British hotel mansion. In spite of his job as a meal, however, he manages to make good as an idol of the idle rich girls. He finally regains his lost fortunes by riding his pet horse to victory in a thrilling steeplechase hunt.

Which is more to be prized—wealth or respectability?

This question has been answered many times, but seldom in so dramatic a fashion as in "Common Clay," which comes to The Catlow theatre next Tuesday and Wednesday as a requested picture for Friends' Nights.

Constance Bennett enacts the feminine lead in this vivid picture, that

of an unmarried mother seeking justice for herself and her baby. The gripping and unexpected climax is based on her choice between a large sum of money and a name for her child.

Lev Ayres has the masculine lead opposite Miss Bennett, and Director Victor Fleming selected a distinguished supporting cast for the picture including Tully Marshall, Matty Kemper and Beryl Mercer.

Two Games Admission, 25c-35c

Through the year to come "Buddy" will stand for the complete service which this garage succeeds in rendering to many hundreds of satisfied owners. "Every Service for Every Car" has been the ideal toward which this organization has worked for a long time. It is this thought that this cute little rascal symbolizes. Look for his worthwhile message from this garage every week.

Complete Motor Service

"EVERY Service for Every Car" is more than a slogan. It is a definite statement of a business policy which lends a motive to every act the Barrington Hudson-Essex Company performs for every customer. The word "service," with us is more than a glib pretense. Here you get anything and everything done to any car and every car. When we make mistakes, we do it over again; the

penalty is ours—not yours. From a Model T Ford on up to a Rolls-Royce "Every Service for Every Car" is performed here with the utmost skill at a satisfactory price. From filling your gas tank to rebuilding your engine is all in the day's work. For two years under this management we have kept every contract, written or implied, to the letter. It is time for you to discover how well we are serving the motorists of this community.

EXPERIENCED MECHANICS—Among the ten employees who go to make up the personnel of this organization are men who have been working on automobiles since the very inception of the industry; who have grown up with the automobile and to whom it makes little difference whether it is a spark plug to be cleaned or an engine to be rebuilt, their knowledge and experience gained over a quarter of a century of actual work on automobiles are here for your convenience and use.

REPAIR DEPARTMENT—Our mechanical equipment is likewise complete and in fact our valve refacer, crane shaft truer, a machine for reseating valves, and other items of equipment not usually found in the small garage are all included in our modern, up-to-date repair department.

And to give you even greater service, our connection with the Barrington Auto Supply Co. puts us in a position to furnish standard replacement parts of nearly every automobile. On any service we are able to save our customers costly time and expensive "pick up" charges.

TOWING AND WRECKING SERVICE—With two modern "wreckers" equipped with electric cranes and hoists, we are ready for emergency service day or night. If you can be towed, we will answer your call for help promptly; if it cannot be towed, then with our "dolly" equipment we can pick it up and move it for you regardless of its condition.

STORAGE—Here you find a garage that is always open. You can store your car at any hour and likewise can take it out when YOU WANT IT. Our doors are NEVER CLOSED. We have storage capacity for 76 cars and everything is arranged for the CUSTOMER'S CONVENIENCE. Blow your horn at our front door and there is no waiting, the electrically equipped doors immediately swing open for your admittance.

WASHING AND POLISHING DEPARTMENT—Careful, skillful workers assure you of a prompt and absolutely satisfactory cleaning job. A

small amount spent now and then will add many dollars to the value of your car's appearance and to the life of the finish. Let us keep YOUR car in first class shape. Is your car getting to be a bit dull? Let us Simonize it for you; it will add months to the life of the paint job while adding to your pride of ownership. We make it look like new again.

TIRE, TUBES, CHAINS—Here you will find a very complete stock of tires and tubes that we are willing to recommend: Goodyear, Fisk, Dunlop and others, in all the standard sizes. Equip your car with good tires and relieve yourself of interrupted transportation worries.

Our Chain Department is one of the most complete to be found outside of the stores specializing in such merchandise; you will find a variety of links and chains here that make it easy for you to get just what you want.

GASOLINE, OIL, GREASES—Gasoline pumps conveniently located at the curb make it easy for the customer; and with 9 different grades of lubricating oil you are sure to find exactly the kind suited to your car at this garage. Skilled mechanics will see that all necessary greasing is done efficiently and effectively.

COLD WEATHER ACCESSORIES—A very complete line of anti-freeze compounds are always on hand, alcohol, Prestone, glycerine, and all cold weather conveniences are here for your assistance.

ACCESSORIES—Probably one of the completest lines outside of the large cities is to be found at this garage—is there a gadget or a part you need? Ask us, let us help you.

SALES AND SERVICE—When you are interested in a NEW car, let us show you ours. Here you will find beautiful, comfortable, sturdy cars that you will want to buy. You will find no over-persuasive salesmen; but we will be glad to demonstrate for you what our cars will do.

TELEPHONE—If you have a puncture out in the country—telephone us;

If your car is wrecked, telephone us; Is your battery run down, telephone us;

Run out of gas? Telephone us.

There are always attendants on duty at this garage, day and night, who are ready to serve you when you come, or when you telephone. Don't you think it to your advantage to have our garage do all the work on your car?

MILLERS CELEBRATE

24TH ANNIVERSARY

Mr. and Mrs. John F. Miller of Cuba township celebrated their twenty-fourth wedding anniversary last Sunday. There were forty-four present, including Mr. and Mrs. Herman Wendland and family of Elmhurst; Mr. and Mrs. William Miller and children of 422 North Avenue; Mr. and Mrs. Andrew Grob and family of 209 Franklin street; Mr. and Mrs. Dale Magill and daughter of 302 Liberty street; Mr. and Mrs. Henry Gilly of 302 N. Ela street; Mrs. Anna Hartung of 216 Washington street; Fred and Emily Miller of 215 E. Liberty street; Mr. and Mrs. Robert Miller and daughter of 219 Raymond avenue; Mr. and Mrs. George J. Miller and sons of 107 E. Station street; Mr. and Mrs. Louis Miller of 107 E. Station street; Mr. and Mrs. Chas. H. Miller and family of 303 N. Ela street; and Miss Lucille Claude.

Mr. and Mrs. Miller were presented with a rocker by their brothers and sisters.

Mr. and Mrs. Wesley Nelson of 200 W. Russell street were hosts to three tables of pinecone last Saturday evening. Those present were Mr. and Mrs. Charles Stangard of Huntley, Mr. and Mrs. E. W. Timms of Algonquin, Mr. and Mrs. Horace Rugh and Mr. and Mrs. Art. Rehberg of Elgin, and Mr. and Mrs. Walter Tome of 132 Raymond avenue. A delicious luncheon was served at 11 o'clock and a very pleasant evening was enjoyed by all.

The Woman's Misionary Society of the First Baptist church will meet at the home of Mrs. A. R. Virden of 616 Grove Avenue next Tuesday afternoon at 2:30. Assisting hostesses will be Mrs. Sadie Sheed, Mrs. Ida Easter, Mrs. Kate Miller, and Mrs. Angie Montgomery. Mrs. Sears will have charge of the devotions and there will be a solo by Mrs. Doris Parker. At address there a young missionary will feature the meeting.

The Woman's Foreign Missionary Society of the Methodist Episcopal

Barrington Woman's Club

The success of our Reciprocity Day still lingers, and a glance at our club calendar shows us that future meetings will bring us two more noteworthy treats that will, no doubt, vie in popularity and general appeal with Mrs. Hale's program.

In March, Dr. McGovern gives us "To Lhasa in Disguise." His book of the same name is on the shelves of the Barrington Public Library and is the fascinating account of his secret expedition through Tibet to the sacred city of Lhasa and the experiences and adventures which ensued. Dr. McGovern is an authority on Oriental manners, customs and beliefs, and will give us something authentic as well as romantic and interesting in his talk.

To remind the Barrington club women of Mrs. Anthony French Merrill's merits as a lecturer in unnecessary, since she has given her delightful talks on current events before us on several previous occasions. We all look forward with a great deal of pleasure and enthusiasm to sharing her "Glance at the World" in April.

Attention is called again to the invitation to our women to attend the Ravenwood Women's Club's social service meeting at 4603 N. Paulina street on next Monday afternoon, March 2, at 2 o'clock. Call Mrs. R. G. Plagge if you wish to go.

The baby clinic held under the auspices of the Rural Public Health Division of the Cook County Bureau of Public Welfare will meet next Thursday afternoon, March 5, from 1 to 3 o'clock.

The sixth annual Liberty Ball for the benefit of wounded and disabled veterans will be held in the gold room of the Congress Hotel on Saturday, April 11. Mrs. York, chairman of the committee on friendly cooperation with ex-service men, will have tickets to sell for this event.

Women who will help at the school cafeteria for the week of March 1 to 7, are as follows:

Monday—Madame Gunther, Dotterer, Harbin.

Tuesday—Madame Freeman, Viden, Baum.

Wednesday—Madame Bradley, Beerman, Hawley.

Thursday—Madame Muth, Dawson, Evans.

Friday—Madame Mudhenk, Higgins, Greene.

Cahier—Mrs. Carr.

COOK COUNTY TAX DELAY SETBACK TO STATE - EMMERSON

Springfield, Feb. 26.—In a special message to the General Assembly, Gov. Louis E. Emmerson last week presented an analysis of the serious condition of the state's finances, due to the fact that Cook county now owes the state approximately \$16,500,000 in 1928 and 1929 taxes. He asserted, also, that Cook county's 1930 taxes probably will not be paid until the middle of next year.

Of the amount now long overdue, he asserted, tax specific funds are now short the following amounts:

General Revenue Fund \$6,032,016.00

School Fund \$3,135,361.34

University of Ill. \$1,415,389.44

Soldiers' Bonus Bonds \$2,445,899.11

Illinois Waterway Bonds \$708,447.78

Blind Relief \$45,001.53

The message gave the situation as it affects the payment of the principal and interest on bonds in detail, and termed them "immediate emergencies which cannot be neglected."

Setting forth sufficient facts and figures to show that "this condition presents a problem of the greatest magnitude," the message continues:

"In calling the attention of the General Assembly to these conditions, in pursuance of the constitutional duties of the executive, it is not my intention to dictate specific legislative acts. These must be determined upon by the legislature only after careful deliberation by the membership of the two houses."

The governor concluded: "It is a situation so serious as that which now confronts us, party affiliations and sectional feelings should be forgotten. The welfare of the people is far more important than political advantage and the goal of the state should supersede sectional prejudices. Only through unequal cooperation of all members can satisfactory revenue legislation be secured."

Caddy Wisdom
Golfer: "If you laugh at me again, I'll knock your block off."
Caddy: "Haw, Haw, you wouldn't even know what club to use."

Mrs. Edith Syringa Martini, Ida Isete Carroll, Margaret Orient, Ill., is believed to have the longest name of any woman in the United States.

Judge Theresa Meikle is San Francisco's first woman judge in charge of the women's department of the municipal court.

commercial use. As part of that plan is the proposal to maintain an adequate flow of water in the Fox, Des Plaines, Kankakee and DuPage rivers and in the smaller streams, to obtain in public ownership as much of the stream frontage as possible, and without delay, to develop sewage treatment which will prevent the present excessive pollution of many of these streams.

At the evening meeting a short business session will be held at which officers will be elected, and a report given by the secretary, Robert Kingery, on new developments accomplished and now planned in the immediate future.

WHAT'S NEW?

To aid aviators to land on dark fields some English airplanes are being equipped with a searchlight at each wing tip the beams of which converge at a known distance.

A "railplane" system, consisting of dirigible-shaped cars driven by propellers fore and aft, and running on a single rail, has been successfully tested in Scotland.

French manufacturers are mounting watches on cigarette lighters, keyrings and various other articles of utility or ornament.

Electrified window screens have been invented that kill insects when they touch the wires.

A new radio beacon is to be established at Poway Rock lighthouse to guide ships through the straits of Florida.

To help in correcting faulty reading habits the University of Minnesota has developed apparatus that makes motion pictures of a person's eyes following printed matter.

A new radio station for communication with the South Sea area is being constructed by a Japanese company at Koyama.

BIRTHS

Mr. and Mrs. Clarence Sprague of Prairie View are the parents of a daughter born Saturday at the Barrington General hospital. She has been named Betty Jane.

DEATHS

Jacob Popp

Jacob Popp, 82, a long time resident of this community, died Saturday morning after a brief illness at the home of his son, William, 221 W. Hillside avenue. Funeral services were held at the son's home Tuesday at 1:30 p.m. and at 2 o'clock at St. Paul Evangelical church. Rev. Hermann E. Koenig, pastor of that church, officiated. Burial was in Evergreen cemetery.

Jacob Popp was born in Bavaria, Germany, on January 25, 1849, and came to America in 1862, locating at Palatine. Thirty-five years ago he moved to a farm near Barrington, and for the last 17 years had lived in the village.

He was married in 1879 to Caroline Roper, who died in May, 1929, just a short time before they would have celebrated their golden wedding anniversary.

Mr. and Mrs. Popp were the parents of 13 children, 11 of whom are living: Fred, George and William of Barrington; Mrs. Mary Behrens and Mrs. Anna Eggemeyer of Arlington Heights; Henry, Mrs. Alvina Toppel, Mrs. Charles Hoerncke and Louis, John, and Charles of Barrington. Sophie died at the age of 3 years and Mrs. Amelia Haakel died in 1925. There are 26 grandchildren.

Mr. Popp was a member of St. Paul Evangelical church of Barrington.

"Yes" he said, "I think the world is getting better."

"And may I ask why?" she answered.

Then he replied:

"This is the first time I have ever had an engagement ring returned without a fight or protest."

Color in the Sea
The most beautiful of tropical seafoils is the moonfish, often called the ghostfish because of its paper-thin form of a silvery color. The angelfish is as gaily colored as the rainbow, with long trailing fins of contrasting tints. The squirrel fish mounts a deep coral shade and great dark eyes. The parrot fish attracts attention as much by its gorgeous coloring of turquoise blue, plum purple, and bright green as by the peculiar body beat.

FELLOWSHIP OF PRAYER

MONDAY, MARCH 2

Seed for the Spring Sowing

(Read Luke 8:4-15; Text; Luke 8:11)

The word is the word of God. There is vitality in words. Plant them and they spring into life, growing to immeasurable harvests. Civilization, education, religion, they all come from the sowing of words in the fecund soil of the human soul.

The turning points in life are where words fifty spoken take root. "In the beginning was the word"—at every beginning the word is the word. Jesus describes himself as the sower of the word of God. His training of the twelve was to make them expert farmers of the spirit. So we are called to our task, which is to be sowers of words. Many of our words will be wasted, no doubt, on rocky soil or among thorns. But we are to sow and spare not. Nature is lavish with her seeds,播种 and scattering far more than will ever grow. So should we be with words. We do not know, where the good ground is. Our mistake is in selecting the likely spots for our sowing.

Prayer: O God, whose word giveth life, grant unto us that we may be diligent and generous, sowing beside all waters. Govern our tongues, that the divine gift of speech be not abused. In Jesus' name. Amen.

TUESDAY, MARCH 3

Holy Hours

(Read Luke 9:28-36; Text; Luke 9:32.) And when they were awake, they saw his glory.

Mountain tops are never crowded.

There is nothing to do there but look. Our holy hours are found high up, away from the throng, isolated from our common tasks. Then the mind is free to become receptive. There is nothing to do but look. In our busy life we need these retreats, in the company of a few kindred spirits, in order that we may become aware of our higher relationships. Only Luke gives us the incident of the disciples sleeping. And what a place for their awaking! Then they saw what they had never seen before. If we were truly awake, might we not also see what we have been missing? If we would climb to where mere things do not obstruct the view, we too might catch glimpses of glory, never seen in the thick of life's affairs.

Prayer: Our Father, will thou guide us to the places where we may see life transfigured? Comfort us, amen.

direction of Mrs. Montgomery, who is also director of the morning choir. The pastor's theme will be, "Exalting the Lord."

A cordial welcome is accorded all visitors.

CHARLES R. DRUSSEL, Pastor.

METHODIST EPISCOPAL

Here is a prescription for a profitable hour on Sunday at 10:35 o'clock:

A Beautiful service

In a Church building

With inspiring special music

A participating congregation

And a Minister's timely message.

Follow this prescription during the month of March and see what happens.

The Special Music Evening program that the Maywood Vestry Choir of twenty-five voices presents at 7:30 o'clock appears elsewhere in this paper.

Church School at 9:30 a.m.

Epworth and Internationale League at 6:45 p.m.

MILTON S. FREEMAN, S. T. B., Minister.

SALEM EVANGELICAL

Regular worship services will be held at 10:30 a.m. and 7:30 p.m. in this "home-like" church. The sermon subjects for these services will be: "Why Sunday Is Worth Keeping," and for the evening service, the fourth in a series of sermons, "I Believe in the Holy Ghost." There will be lively and inspiring congregational and choir singing.

Bible school at 9:30 a.m. This school is closely graded, supervised by well trained Christian teachers, and offers classes for all ages.

BOBBY OF CLOVERFIELD FARM

Farm is a place with a big homey family, friendly animals and delightful happenings.

This volume tells stories of Bobby during the spring and summer when he was seven years old, from the first robin and kite-flying days, through all the excitement of the sheep shearing and haying time, to the golden days of nut gathering. Prince, the horse, and Rover, the dog, come and go through the pages like old friends, doing their part in the work and play of the farm life.

Reading of Bobby's summer days is next best to actually sharing his fun on the old farm.

THE FORK IN THE ROAD

This is the story of the Gleanway twins of Faith, imaginative, artistic, heart-broken at leaving the lovely old country house where she had always lived and dreamed; but of Finia, practical, straightforward, with a warm heart and a quick vision of the needs and sufferings of others. Faith thought they were drifting apart; that they had reached a fork in the road of life.

And I say unto you, Ask, and if shall be given you; seek, and ye shall find; knock, and it shall be opened unto you. For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.

And the willingness with which our Heavenly Father supplies our deepest needs is illustrated by an analogy of the affection of any good parent for the needs of his own child. So simple is this picture that not one can doubt its truth nor fail to understand it from his own experience with the best of parents. Jesus says, "If ye then, being evil, know how to give good gifts unto your children, how much more shall your Heavenly Father give the Holy Spirit (God's greatest Gift to his children) to them that ask Him?"

PRAYER

Our Father and our God, in humility we approach Thee, and ask Thee to help us search our own hearts, to cleanse them from evil. Help us to see ourselves as Thou seest us, and where there is great poverty within, and where there is lacking that Peace which Thou dost so freely offer to all who faithfully come unto Thee. Help us that we may come in the spirit of the penitent; and do Thou be pleased to restore us in the splendor of the New Life, granting to each the riches of Thy Kingdom, and bring our lives to embody the Spirit Thou hast offered, and use us for fulfilling others for Thy Salvation. This we ask through no merits of our own but in the Name of our Glorified Lord. Amen.

CONTRACT LET FOR FIRST 1931 STATE ROADS

STATE TO GET SECOND ROAD BIDS MARCH 4

Springfield, Feb. 26.—Illinois highway officials have awarded the first of the 1931 road building contracts that they will receive bids, March 4, for the second series of 1931 road contracts.

Proposals to be opened then are for 86.30 miles of pavement and 12.8 miles of grading. Sections of state routes included in this letting are in Cook, Kane, DuPage, DeKalb, Carroll, Whiteside, Rock Island, Mercer, Knox, Hancock, McDonough, Stephenson and Morgan counties.

FORD COMFORT

The

Every new Ford is equipped with four Houdaille double-acting hydraulic shock absorbers

ONE of the fine things about driving the new Ford is the way it takes you over the miles without strain or fatigue.

No matter how long the trip, you know it will bring you safely, quickly, comfortably to the journey's end.

The seats are generously wide, deeply cushioned and carefully designed to conform to the curves of the body.

Every new Ford has specially designed springs and four Houdaille double-acting hydraulic shock absorbers.

These work both ways — up and down. They absorb the force of road shocks and also provide a cushion against the rebound of the springs.

Other features that make the new Ford a value far above the price are the Triplex shatter-proof glass windshield, silent, fully enclosed four-wheel brakes, more than twenty ball and roller bearings, extensive use of fine steel forgings, aluminum pistons, chrome silicon alloy valves, torque-tube drive, Rustless Steel and unusual accuracy in manufacturing.

In addition, you save many dollars because of the low first cost of the new Ford, low cost of operation and up-keep, and low yearly depreciation.

Lions Club Stages College Flapper With Cast of 100

from page 1

Its attempt then to get the predicament and game brings on a series of very comic situations.

Butter and egg man from Omaha, members of Beta Alpha (H. P. Hoffman), while attempting visits the sorority who falls in love with Jerry as the housemother.

The butter and egg man promises to pay back one-half million dollars in three years to the college.

The coach and his men promise to do the same.

The opening of the show is featured by a curtain raiser, the baby pageant, consisting of about one hundred local children from four to eight, with a dramatic reading, Miss Darleen Barker.

The baby pageant is something new in entertainment, and exceptionally good.

Another feature of the show is a large number of high school girls in costume chorus and special song numbers.

Miss Helen Abbott will assist in planning. All in all, "The College Flapper" is a well rounded out production.

A full list of all the characters will

a number of special features in the show. The college glee club, portrayed by twenty-four business men, opens the show and gives a lot of entertainment. The famous flapper chorus of the Sig-sig-rette sorority consist of over thirty business men who represent such types as the Campus Flirt, Baby Face, Beauty, Winner, etc.

School Champions Meet B.H.S. Cagers Here Friday Night

Liberityville High, Northwest Conference tournament champions, will be seen in action Friday night on the Barrington floor. The Wildcats boast of several sterling performers in Jamison, their big center, the speedy Murphy, and Burnett and Tromblee, the husky guards. They have lost out in the regular conference race by a small margin due partly to the illness of some of their players at critical times. The Bronchos are slated to get another wallop but if they are holding out a hot game it would be a swell time to spring it and upset Libertyville. This game is an important one for the Ponies too for if they lose it all chances they have of seeing a cup will go glimmering. Libertyville lights won in their previous meeting, 22 to 12 so it will be plenty tough going.

The game which was scheduled with Gurnee for last Friday was called off due to an epidemic of some sort which was threatening all that town. These games will be played later. To fill in the gap Coach Clark scheduled the Elgin B Heavies and Lights for a double encounter last Saturday night and two good games resulted. In the curtain raiser the Ponies came from behind and began hitting the basket to win 28 to 20. LaPointe with ten points and Meister with nine, led the scoring. The Bronchos led the way most of the game in their contest but with a minute or so to go, Costelle tossed one over his head from the corner and it slipped through for Elgin, 21 to 20. It was one of the scrappiest exhibitions which the Massons have put up and the last few minutes were almost a riot with but one point separating the teams. Thorpe led the scorers with three baskets and two free throws.

The box score:

	BRONCHOS	FG	FT
Williams	1	0	1
Thorpe	3	2	3
Bennett	2	1	3
W. Grabenkort	1	3	1
B. Grabenkort	1	0	2
Elgin (21)	1	2	3
Costelle	1	2	3
Becker	2	1	3
Auten	0	0	1
Sternicher	3	2	1
Humbrecht	0	2	0
Levey	0	0	0
Kerstes	1	0	1
Ponies (28)	4	1	3
Meister	1	0	3
Miller	1	0	1
Landwer	0	0	0
Berman	0	0	0
Kuhman	0	3	2
Anderson	0	1	2
Capilli	1	0	1
LaPointe	4	2	3
Roth	0	1	1

Total	10	5	10

Barrington fans are following the University of Wisconsin basketball games with extra interest this year for Ray Wichman is getting nearly all the contests at the present time and is giving a good account of himself. Ray is only a sophomore at Wisconsin and should be sitting pretty another year. The Johnson who takes McCarne's place at center for Northwestern, now and then, is another Northwest Conference star. He is the "Sveds" Johnson who used to perform for Leyden about three years ago.

For lack of a better word dressmakers speak of self-trimming to indicate any sort of dress decoration made from the material from which the dress is made. By the clever dressmaker this sort of trimming is often chosen because it adds a certain note of decoration without detracting from the essential simplicity of the dress. It is the home dressmaker if

makes a strong appeal because it gives finish to the dress at little or no expense.

The bertha collar shown here shows one of the new sorts of self-trimming. It consists of an arrangement of small flower-shaped pieces cut from the material of which the dress is made and applied to the light-toned georgette that fashions the berthia. In this case each little flower device is attached by means of a tiny crystal bead or half head, but in some cases they are simply applied with an invisible stitch in the center without the bead or half head.

As shown here the flower designs are strung irregularly over the berthia, more often they are arranged in two or three rows along the lower edge.

ON 21ST BIRTHDAY

Lemon Sponge

Mix the juice of four lemons with a cup of sugar and two cups of water. Cook in a double boiler, with the well-beaten yolks of four eggs. Cook until smooth and thick, stirring constantly, take from the fire, add a dessert spoonful of vanilla and a cup of grated pineapple. Mix thoroughly, chill, and serve with whipped cream.

Pineapple Custard

Heat three cups of milk in a double-boiler. Beat together three-fourths cup of sugar, sifted with two tablespoons of flour and a pinch of salt, and three eggs. Stir into the boiling milk and cook for fifteen minutes,

stirring constantly. Take from the fire, add a dessert spoonful of vanilla and a cup of grated pineapple. Mix thoroughly, chill, and serve with whipped cream.

Pineapple Pudding

Butter a baking dish and fill with alternate layers of sponge cake and finely cut and sweetened pineapple, fresh or canned, having cake on top. Pour over one and one-half cups of cold water, cover, and bake for two hours in a moderate oven. Other fruits may be used in the same way.

Imperial Device

A solar heater is one that creates energy by using the sun's rays to make steam or vapor from water. There have been numerous attempts to perfect this heater; however, they have not proved practical.

President Hoover sent the following message:

"Boyhood is the period of development. By the time he comes of age a boy has acquired, in body, brains and character, the tools he must use in life. His work and play, his love of camping and knowledge of nature, his courage, his craftsmanship, his desire to serve his fellow men, have become a part of him, of what he will always be."

"Scouting too has come of age. Through twenty-one years it has summoned youth to the great adventure of lofty living. As the twenty-first year ranks Youth's formal passage to legal maturity, so the coming of the twenty-first year of the Boy Scout movement in America marks its entry into an era of mature service. I hope it may continue through years of increasing usefulness to reflect that deep love of humanity, that eagerness to make life fuller and sturdier, that is the very spirit of democracy itself."

Herbert Hoover.
