Heights Defeats Bronchos in Haphazard Game Here Friday, 20-19

Locals Require 11 Minutes to Score Their First Basket

Barrington Ponies Receive Trimming in Curtain Raiser, 40-25

Two equally impotent basketball teams struggled through four quarters of play Friday night at the local gymnasium and the score at the end stood 20 to 19 in favor of Arlington Heights. The one redeeming factor was that Heights was unable to furnish any drive in the last quarter and Barrington crept within one point of a tie, which added some interest for the spectators.

The Barrington outfit managed to get their first basket after 11 minutes of play and at the half were trailing 13 to 6. Heights took advantage of the Bronchos' apparent lack of teamwork and forced the play in the locals' defense area throughout the first half.

During the third quarter both teams scored eight points and in the last period Heights remained scoreless while Barrington picked up five points. Several opportunities of scoring the tieing or winning points were available for Barrington in the final few minutes but were not capitalized on.

In a decidedly one-sided contest, the Barrington Ponies earlier in the evening lost to the Arlington Heights seconds by the score of 40-25. Playing against a strong and a very tall team, the Ponies were just overpowered from beginning to end. All the visiting team's regulars scored points, and Bublitz, a forward, made eight, and Thoman, a center, eleven, to lead the victory march.

Arlington was ahead at the first quarter, 10-5, and then scored 12 points in the second period to lead 22-9 at the half. The Heights cagers slackened a bit in the third quarter, having a 29-14 advantage with one quarter to go.

However, they kept up their winning pace until the final gun, just coming up to the "forty" mark. This time reduces the Ponies conference percentage to .166.

Jr. High Cagers Are Victorious by 30-11 Score Over Palatine

The junior high basketball team added another win to its victory string Thursday afternoon when they went to Palatine and beat the freshmen, 30-11. Zimmerman, Dewitz and Wollar did most of the scoring, but the other regulars and the substitutes all played with considerable improvement.

The big test for junior high will come Friday, when they play the Abbott Junior high of Elgin on their home floor. The first game between these teams was won by Elgin, 15-13, Barrington's only defeat of this season.

Methodists Lead Church League at Half-Way Point

Teams Remaining Idle During Period of Town Warming Program

Methodist took a half game lead over Salem in the local church basketball league by defeating St. Paul 49 to 21 on Wednesday night, Jan. 18, for its fifth victory in six starts. The same evening St. Matthew won a hotly contested battle from St. Anne by a 34 to 30 score. The above games were moved up from January 25 because of the Town Warming program.

The St. Matthew-St. Anne game completed the first round of the league schedule while the Methodist-St. Paul contest was the initial one of the second round. League play will be resumed on February 6.

In the above mentioned games Methodists had an easy time in beating St. Paul, but for a while it looked as if the plucky St. Anne cagers were going to win a game. They crept within a single point of St. Matthew in the dying minutes of the contest only to have the winners rally to make sure the victory.

The evening produced several high scoring performances—Eiters of Methodist led with 16 points while Capulli of St. Anne made 15, and Suchy of St. Matthew made 12 points.
