Grant Handcuffs Bronchos Here in Grid Final, 19 to 6

Close Season With 3 Wins, 1 Tie and 3 Lossss, for .500

Bulldogs Obtain Revenge for Defeat Earlier in Season

The Barrington high school Bronchos wound up their gridiron season disastrously when they were decisively beaten by the Grant Bulldogs 19-6 at Northside park Saturday. The Bronchos seemed to have lost the fight and drive that they had exhibited at Northbrook the week before.

Early in the first quarter, R. Zimmerman, the Barrington quarterback, fumbled on his own 25-yard line and the ball was recovered by the Bulldogs. Then, Koch and Jacques, the two Grant star backfield men, carried the ball on short line plunges and off tackle smashes down to the 1-yard line in eight plays, from where Jacques went through left tackle for a Grant touchdown.

The Bronchos line broke through to tackle the runner trying for the extra point, leaving the score 6-0.

Late in the second quarter Myers returned Jacques' punt all the way to the Grant 14-yard line. Several plays later Long passed over left end to Nesterode on the 1-yd. line. Then Long ran through right tackle for the only Broncho touchdown of the game.

The extra point try failed, the score remaining a 6-6 tie until the end of the half.

At the start of the third period, Koch's pass was interfered with at the receiving end, giving Grant the ball on the Barrington 26-yard line, a 17-yard gain. Two plays later, Koch passed over right end to Gerstein in the end zone for the Bulldog touchdown which won the game. The pass for extra point was incomplete, making the score 12-6.

A few minutes after this, Grant got the ball down to the Broncho 33-yard line on running plays. From here Koch passed over left end to Franks for a first down on the 19-yard line.

On the following play Jacques smashed 19 yards through right tackle for Grant's third touchdown. Frank's drop kick for extra point was good making the score 19-6, as it remained for the rest of the game.

The Grant eleven was much improved over the time when the Bronchos clashed with them at Fox Lake and defeated them 7-0. Saturday the Bronchos couldn't seem to get their running plays working and, like last week's strong defensively as usual. Several times the secondary rushed in too close to the line for good pass defense.

The Bronchos made six first downs to the opponent's eight while both teams punted six times. Barrington completed three out of eleven passes, and the Bulldogs three out of ten. The Bronchos intercepted two passes and the Grant that Grant intercepted were partly responsible for the check of the Barrington offensive.

This game being the final one, the Bronchos finish the season with a .500 percentage with three victories, one tie, and three losses. All of these losses were against conference foes, so the Bronchos wind up in last place in the conference standing with one victory and three defeats.

However, this is the most successful football season in years, and has had for some years. The Bronchos are looking forward to an even better one next year, for the entire backfield will be back next year and most of the regular line.

Violation of these prohibitions of the law are liable to lead to arrest, or, what is worse, to serious accidents. Last year 770 reported accidents, in which 69 persons were killed on Illinois highways, resulted from improper passing.
