Dear Alex:

Per your recent telephone conversation, I am enclosing a copy of Senate Bill 023, which appropriates \$200,000 for a study of the feasibility of constructing the Fox Valley Toll Highway from Lockport to I-90 (in Elgin).

You will note that the portion of the proposed highway north of I-90 (including McHenry County portion) is not included in the Bill.

I know of no one in the County including this Department who is pushing for the Fox Valley Toll Highway north of I-30 in (I 90) Elgin.

Very truly yours,

J. R. RAKOW
County Superintendent of Highways
