Plan Commission
Village of Barrington Hills
Barrington Hills, Illinois

Gentlemen:

Jim Douglass and I were appointed a committee to consider charging Village Attorney legal fees to petitioners. Enclosed is a preliminary report.

Also enclosed is Sydney Craig's letter of comment. I have discussed this also with Larry Knouff and have incorporated many of his comments.

After consideration, it seems that the problem is more procedural than economic, at least to start with. I assume this will be on the Agenda Monday night. I shall be away that day.

Very truly yours,

DEFREES & FISKE
