Re: Barrington Hills Plan Commission -  
Acceptance of Dunrovin Drive

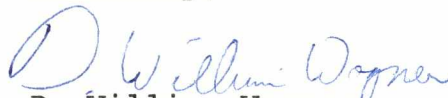

Dear Mr. Cassel:

As counsel for Fred Klein and Second Barrington Group, a limited partnership in which Fred Klein is the general partner, we hereby request that the question of the acceptance of Dunrovin Drive be placed on the agenda of the Plan Commission for its next meeting.

Mr. Klein is requesting that the Plan Commission recommend acceptance of Dunrovin Drive notwithstanding the deficiencies reported by Bleck Engineering Company, Inc., in its letter of March 4, 1976. The basis for the requested variations and certain relevant background information are contained in the attached letter from Fred Klein dated July 9, 1976 and the documents attached to that letter.

Mr. Klein intends to represent himself at the meeting and will be prepared to discuss all of the issues raised in his letter. Accordingly, it would be appreciated if you would confirm the date and time of the meeting.

Sincerely,

  
D. William Wagner
