

Report #1

TO THE PRESIDENT AND BOARD OF DIRECTORS
OF THE VILLAGE OF BARRINGTON HILLS

^{SUPERINTENDENT}
Report of the ~~Commissioner~~ of Public Works
for the month ending June 30, 1957

Gentlemen:

Temporary construction permits have been issued
for:

2 residences
1 swimming pool
1 well

When printed application forms, Building Permits
and post cards are available, these temporary construction permits
will be replaced by correct legal permits.

I have examined the plans submitted and find them to
conform to the Building Code of the Village of Barrington Hills.
I have made two inspections at the Scaar residence, one at the
Orb residence and one each at the swimming pool and well.

Respectfully submitted,

Harold H. Olson
~~Commissioner~~ of Public Works
SUPERINTENDENT
