

Mrs. Arnold

ROAD REPAIRS

VILLAGE OF BARRINGTON HILLS

The following roads have been considered for major repairs:

2500 lineal feet on Spring Creek Road	<i>about 1/3 of length about 68%</i>
4200 lineal feet on Elgin Road	
200 lineal feet on Plum Tree Road	

Bids were requested to be submitted on the following basis:

Grade, prime and seal coat

The following is a recap of the bids:

Suburban Oil in Crystal Lake, Illinois	\$3,700.00
Monarch Asphalt Paving Company	\$3,937.00
Roadhome Construction Corp.	\$4,002.00

In addition, we requested bids to be taken on the basis of applying a double seal coat and the following bids were received:

Roadhome Construction Corp.	\$5,260.00 5520.00
Suburban Oil	\$5,813.00

If these roads were to be considered to be stabilized according to the specifications prepared by Roadhome Construction Corp., the following is the bid received:

Roadhome Construction Corp.	\$9,045.00
-----------------------------	------------

These bids are respectfully submitted to the Village Board of Barrington Hills.
