Rev. C. J. Doenecke,
Barrington,
Illinois.

Dear Rev. Doenecke:

I have received your letter in regard to the work in your church and have forwarded a copy of it on to our representative, Mr. Weaver, who has charge of the estimating, etc., in that part of the State. He will plan on stopping in to see you and talk the matter over with you the next time he is up that way. I talked to him a few days ago and he was hoping to arrange this some time the latter part of this week, but he could not tell definitely just how it would work out. For that reason, he will try to call you before coming so as to be sure that it would be convenient.

If you have a committee appointed who would be interested, it would be well to have them there too when he comes as, with the conditions so congested and traveling so hard, we like to complete all conferences in one trip if at all possible. You could then go over the whole matter in detail with him and work out the best solution.

Trusting this will be satisfactory, I am

Sincerely yours,

G. H. SCHANBACHER & SON
