The Discipline requires that the names of Probationers shall be kept separately from those of Members, and a volume is herewith furnished for the purpose. It is not necessary that the names should be recorded alphabetically.

The uses of the several columns can be seen at a glance.

Certificate of the Bishops.

After such examination as our brief time would allow, we hereby express our judgment that a series of uniform Church Records is of great importance, and that those shown to us by Dr. M'Clintock are such as the interests of the Church require.

We earnestly recommend them to the preachers and members of the Church, and hope they will be universally adopted.
