

THE
RECORD FOR THE CLASSES SEVERALLY.

New-York:
PUBLISHED BY CARLTON & PORTER, 200 MULBERRY-STREET.
1857.

Besides the lists kept by the Leaders in their several Class-books, it is important, on many accounts, that a transcript of the class-lists should be in the hands of the Minister. A book is herewith furnished for the purpose.

The lists should be rewritten from year to year.

Certificate of the Bishops.

After such examination as our brief time would allow, we hereby express our judgment that a series of uniform Church Records is of great importance, and that those shown to us by Dr. M'Clintock are such as the interests of the Church require.

We earnestly recommend them to the preachers and members of the Church, and hope they will be universally adopted.
