VILLAGE OF BARRINGTON

Village Hall

Barrington, Illinois

Attn: Mrs. Pinkerman, Village Clerk

Dear Mrs. Pinkerman:

The ICMA newsletter of July 1 carries notice of the position of first village manager of Barrington. Enclosed you will find a personal resume for review by the trustees.

Although having served here in Gaithersburg a little over a year, certain facts having nothing to do with my job performance, indicate it is advisable to move on to another city. I want to stress that the dissatisfaction is on my part, not on the part of the Mayor and Council. On a personal note, having been born and reared in Illinois, I have always hoped and planned to be a manager of an Illinois city-- I hope that Barrington will afford me that opportunity.

I am ready to come to Barrington for interview at a mutually convenient time, and look forward to a reply regarding my application for this position.

ADDRESS REPLY TO:

108 North Frederick Ave.
Gaithersburg, Md.

Sincerely yours,

Patrick J. Gaffigan
