MINUTES OF MEETING OF PRESIDENT and BOARD OF TRUSTEES
OCTOBER 12, 1964

MEETING CALLED TO ORDER by President John H.D. Blanke at 8:00 P.M.
Trustees present at roll call: Robert F. McCaw, Paul J. Shultz, J. Frank Wyatt, Frederick J. Voss. Also present: B.J. Zelsdorf, Treasurer; Avern B. Scolnik, Attorney; Mabel M. Schaede, Clerk Pro Tem.

Motion by Trustee McCaw to appoint Mabel M. Schaede, Clerk Pro Tem; second by Trustee Wyatt. Ayes.

MINUTES OF 9/28/64: Corrections:

Page 1-paragraph 8 - line 2 -- change "main" to "claim".
Page 1-paragraph 9 - line 3 -- change "drainage" to "trenching".
Page 4-paragraph 4 - line 14 - after one-half add "of the cost of the trees".
Page 4-paragraph 4 - last line, add "Second by Trustee Voss".

Motion by Trustee Wyatt to approve Minutes as corrected; second by Trustee Shultz. Ayes. Trustee McCaw not voting due to absence from that meeting.

INQUIRIES FROM AUDIENCE.

TRAFFIC SAFETY CITATION President Blanke stated he is proud to present to the Barrington Police Department a Traffic Safety Citation for the year 1963 from the Cook County Traffic Safety Commission. Mention made as to the cooperation of the Police Department and all men working together, with the Schools and the public in general. Plaque presented to Chief Muscarello.

CIVIL DEFENSE Director Alfred Belz gave a report as to work done; that what has been done has been done well, but that we have a long way to go; praised the cooperation received in the Village of Barrington. (Certificate of Accreditation from the Illinois Civil Defense passed around, the President stating it would be placed in proper place.)

VILLAGE TREASURER'S REPORT-SEPTEMBER 1964 presented. Inquiry by Trustee Voss as to whether this report could be available several days prior to a Board meeting in order to allow ample time to review it.

BARRINGTON TRUCKING COMPANY PETITION FOR ZONING VARIATION Zoning Board of Appeals report dated October 7, 1964, read, setting forth Zoning Board of Appeals vote that the petition be granted. Motion by Trustee Wyatt to concur in the recommendation of the Zoning Board of Appeals to grant variation in zoning; second by Trustee Shultz. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

Atty. Braithwaite stated that a draft of the Ordinance has been presented to Atty. Matthews. President Blanke felt that the Village Attorney should go over the Ordinance and present it in proper form, even though drawn up by Atty. Braithwaite. (Ordinance to be available at next Board meeting).

Motion by Trustee Wyatt that Building Permit be issued by the Building Commissioner, subject to his approval of the Plans and Specifications. Second by Trustee McCaw. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

DR. NINA H. DeARMAS DRIVEWAY - 407 S. HOUGH STREET - request to be released from the requirement of two driveways. Report of Zoning Board of Appeals, dated October 7, 1964, read -- request returned without further recommendation. Motion by Trustee Shultz that letter be sent to Dr. DeArmas outlining the recommendation of the Zoning Board of Appeals and requesting compliance as soon as possible; second by Trustee Wyatt. Ayes

PICKWICK PLACE PETITION FOR VARIATION IN SIGN ORDINANCE. Petition in triplicate with \$50.00 filing fee attached; two signs to be erected, of a size larger than our Sign Ordinance permits. Motion by Trustee Wyatt that petition be referred to the Zoning Board of Appeals for public hearing and report to the Village Board. Second by Trustee Shultz. Ayes

PARKING METER RECEIPTS - SEPTEMBER 1964 \$ 3,907.94.

JEFFERSON ICE COMPANY PETITION -- hearing set for October 28th.

WORK LIST OF PUBLIC WORKS SUPT. JOHANESSEN. Supt. Johannesen out of town for several weeks. Work schedule distributed to Board members. Trustee Wyatt stated several good reports received regarding our "Leaf Pick-up".

KENNEDY DEVELOPMENT CO. PETITION FOR ANNEXATION AND ZONING. Letter of Kennedy Development Co., dated October 12, 1964, read. Mr. Kennedy appeared before the meeting; their Attorney and Engineer also present. Petition and Plat submitted in triplicate; check for \$50.00 filing fee attached. Explanatory statements made by Atty. Hoffman -- that small triangular area is not included in the legal description, which they do not now own title to, it being in escrow; they believe they will receive title to that triangle and then later amend the plat; in time engineering will be under way. Six extra copies of Plat, Petition, letter of October 12th, and plan of general location will be furnished. Motion by Trustee Wyatt that the Petition of Kennedy Development Company for Annexation and Zoning ^{with approval of plat} be referred to the Barrington Plan Commission for purpose of holding public hearing; second by Trustee Shultz. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss. President Blanke stated that the Plan Commission will be contacted so that public hearing can be set, - probably the first week in November.

ADDITIONAL FIRE REPORTING SERVICE EQUIPMENT -- Village Hall DU 1-2141 and Public Works Garage DU 1-6636. Motion by Trustee Voss that the Telephone Company be requested to install Fire Signal Equipment for Village Hall and Public Works Garage; second by Trustee Shultz. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

ILLINOIS BELL TELEPHONE COMPANY OPEN HOUSE -- October 28 and 29, 7 to 9 P.M.

REQUEST FOR STREET LIGHT AT CUMNOR AVE. AND NORTHWEST HIGHWAY. Bender-Rieger request dated October 10, 1964. Motion by Trustee Wyatt that Public Service Company be authorized to install street light at Cumnor Avenue and Northwest Highway; second by Trustee McCaw. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss .

PETITION FOR CHANGE IN ZONING AT ROUTE 14 AND WASHINGTON STREET --
Robert G. Brown. Petition will be heard by the Plan Commission,
November 4th.

COMPLAINT OF ALLEGED INJURY ON SIDEWALK. Oscar Reiter, 217 E. Hillside,
claims he fell on the sidewalk at Lipofsky's store and injured his leg.
Chief Muscarello stated there is about a 3/4" rise in the sidewalk.
Public Works Department has been advised.

8" WATER MAIN - HIGH SCHOOL DISTRICT 224. Board approved payment of
this main. Engineer's total cost is \$2,324.00. Breakdown of cost
referred to Trustee Voss. Motion by Trustee Voss that an invoice be
prepared and submitted to School District, with copy of prices set forth
in Consoer, Townsend & Associates letter of October 5, 1964, for ex-
tension of water main to the High School. Second by Trustee Wyatt. Ayes

COOK COUNTY ASSESSOR'S MOBILE UNIT will be in Barrington November 10-20
and parked in the First National Bank Parking Lot next to the Police
Station.

ORDINANCE RELATING TO \$50.00 CASH BOND. Copy of President Blanke's
letter, dated October 6, 1964, to Atty. Matthews, distributed. Attorney
Matthews' reply dated October 12th, read. Discussion followed;
opinion voiced that \$50.00 fee is not required. *copy*

LILL STREET PAVING--CONSOER TOWNSEND & ASSOCIATES' BILL \$383.00.
Trustee Wyatt read letter of Consoer, Townsend & Associates, dated
October 2, 1964, relating to this charge. (included in list of bills
October 12th)

HUMAN RELATIONS COMMISSION meeting scheduled for October 19th.

GLUTH BROTHERS CLAIM FOR GRAVEL BACKFILL Trustee Voss stated he had
called today inquiring as to what has happened regarding the letter.

SEWER CLEANING at 206 N. HAGER. Nothing done to date; to be brought up
at October 26th meeting.

WATER PUMPAGE AND SEWAGE FLOW REPORTS FOR SEPTEMBER - Water Pumpage
average 786 gals. per day; Sewage average 1,000,000 gals. per day.

INSPECTION REPORT ON SEWAGE TREATMENT PLANT--LAKE COUNTY. Report from
Lake County Health Department, dated September 30, 1964, read by
Trustee Voss. Trustee Voss requested Supt. Hager to set meeting for
9:00 A.M. October 17th at Disposal Plant.

Motion by Trustee Voss that the Village Clerk direct a letter to
Consoer Townsend & Associates requesting them to prepare a questionnaire
to be distributed to industries and businesses within the Village so
that we may determine the type of waste. Second by Trustee Wyatt.
ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

SOIL BORINGS FOR EASTERN AVENUE PAVING Letter of Consoer, Townsend &
Associates, dated October 1, 1964, read, relating to Walter H. Flood &
Co., proposal for soil investigation, at a cost of \$335. Motion by
Trustee Wyatt to accept the proposal of Walter H. Flood & Co., for soil
investigation, in the amount of \$335.00 and that they be and hereby are
directed to proceed with this work at once. Second by Trustee Shultz.

ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

LIST OF BILLS Motion by Trustee Voss that list of bills be approved and paid from the Funds indicated, with the stipulation that the bill of Eppers Improvement Co., in the amount of \$1,210.50 for Lill Street curbs and gutters be paid out of the Escrow Fund. Second by Trustee McCaw. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

ACQUISITION OF MORE LAND FOR POLICE AND FIRE STATION Architect Millin hopes to have plans and specifications ready within two weeks. Further checkup required as to ground levels, lowering of sidewalk, fill-in. Motion by Trustee Voss that Wight & Company, Engineers, be authorized to make a survey to determine ground levels in the area of the Police and Fire Station site, and that we coordinate our efforts with Architect Millin; second by Trustee Shultz. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

Trustee McCaw inquired as to the Shooting Range devices and information furnished that these are not included.

Mr. Hollister is willing to give two (2) feet either on a long term lease or outright purchase. Committee as a Whole meeting suggested, matter then presented to the Board, with final action to follow.

Attorney to draw up Notice to Bidders, two publications -- October 15th and 22nd, bids to be ready October 23rd. Motion by Trustee Voss that the Village of Barrington advertise for bids for construction of the contemplated Police and Fire Station; documents to be made available to bidders on October 23rd at Village Hall on deposit of \$50; due date on bids November 9, 1964, at 8:00 P.M. at the Village Hall. Ads to be placed in the local paper on instructions from the Attorney, October 15th and 22nd; second by Trustee Wyatt. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

BIDS ON PURCHASE OF BALLED AND BURLAPPED SHADE TREES Motion by Trustee Wyatt that the Village Clerk be directed to open the bids; second by Trustee Shultz. Ayes

Motion by Trustee Wyatt that Mr. Zelsdorf, Treasurer, be authorized to review the bids and determine the lowest bidder, and that we accept the lowest bid on the tree that we determine to be needed for planting this Fall. Second by Trustee Voss. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

ALLOCATION OF FUNDS - RESOLUTION read. Motion by Trustee Wyatt to adopt Resolution; second by Trustee Voss. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

COMMITTEE REPORTS Trustee Voss nothing to report.

Trustee Wyatt: For some time now we have used systematic procedure in selecting the person we thought best qualified for Village Manager; we received some 14 applications, all of whom looked very good judging from their application. Applications were thoroughly screened down to four, who were invited to Barrington and went through an intensive interview. This has now been narrowed down to one applicant. Trustees Long and Voss made personal visits to the town where the applicant is now located and made personal investigations to determine other facts that might bear on his application. They reported back and all the Trustees on the Board unanimously agreed that the person I propose as the applicant is the one we should consider for the job as Village

Manager, on the basis of his education, experience, and ability to work with the Board and Village employees. I would like to state for the record that Trustee Capulli stated he would be out of town but that he was 100% in favor of the man I propose. Trustee Voss stated he was very favorably impressed. Trustee Shultz stated he was favorably impressed with his experience level, his training, and feels him to be exactly what we are looking for. Trustee Voss further stated: I talked to the Editor of the local paper, Mayor of the town, Manager of the local bank, and others, all of whom spoke very highly of him; that Mayor himself said it had taken about two or three years to convince the Town Board that they should go to the form of City Manager for government and were now enthusiastically in support of it. Trustee Wyatt added that this man was born in 1928, in Springfield, Ill., and anxious to locate in Illinois; has had considerable experience serving as Assistant to the Village Manager in Oak Park, Michigan - a city of considerable size and a very well run town. At present he is serving as Village Manager, Gaithersburg, Maryland. Whereupon, motion made by Trustee Wyatt to adopt the following Resolution:

" BE IT RESOLVED, that Mr. Patrick J. Gaffigan be and he is hereby employed as Village Manager of the Village of Barrington, Cook and Lake County, Illinois; effective date to be November 15, 1964, at a salary of Ten Thousand Dollars (\$10,000.00) per year, payable semi-monthly; and
 BE IT FURTHER RESOLVED, that payment is hereby authorized for the moving expenses of Mr. Patrick J. Gaffigan from Gaithersburg, Maryland to Barrington, Illinois; and
 BE IT FURTHER RESOLVED, that the Village Clerk be and is hereby authorized and directed to notify Mr. Patrick J. Gaffigan of his employment by telegram, and to request a reply from Mr. Gaffigan as to his acceptance of such employment. "

Second by Trustee Voss. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.
 President Blanke: Chairman votes "NO".

Trustee Shultz referred to the Annual Report of Barrington Fire Dept. May 1, 1963-April 30, 1964; prepared by Harold Martens, setting forth major items:

Total expense to Village (Payroll)	\$ 6,554.50
Fire District Payroll expense	\$11,426.20
Village Emergency calls (donated in wages by Firemen) ..	\$ 1,674.00
Fire District calls " " " " " "	567.00
Total cost to Village	\$ 13,233.00

property LOSS IN

Motion by Trustee Shultz that the Board accept the report of our Fire Department from May 1, 1963 through April 30, 1964, with our full appreciation and commendation for their work. Second by Trustee McCaw. Ayes.

Reference by Trustee McCaw to: letter of H.F. Pillman, Captain, Barrington Special Police, dated September 25, 1964, relating to personnel changes. Motion by Trustee McCaw that the recommendations of the Special Police Division set forth in their letter of September 25, 1964, be accepted by the Board. Second by Trustee Wyatt. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

ALARM SYSTEM between businesses and police in process of installation. REQUEST FOR STOP SIGN AT INTERSECTION OF WESLEY AVENUE-SHARON DRIVE-BEVERLY ROAD. This has been investigated and it is highly recommended

by the Chief of Police and Trustee McCaw. Request has many signers. Motion by Trustee McCaw that this Stop Sign for people entering the area be installed at that location as indicated on the print, and that the Village Attorney be authorized to prepare Ordinance permitting the installation of this sign. Second by Trustee Wyatt. Ayes. It was felt that the Barrington Meadows area requires further investigation as to conditions warranting reducing speed limit to 25 MPH rather than 30-35 MPH. Chief Muscarello will get a traffic check on this. WALKIE-TALKIE FREQUENCY RADIO FOR POLICE DEPARTMENT We have been able to get a price from General Electric for two units, plus battery charge, for \$590.00 and \$6.00 transportation charge. These units are some that were on hand -- all new. Motion by Trustee Wyatt that the Village Treasurer be authorized to purchase two radios in conformity with letter from General Electric Company, dated September 17, 1964, at a total cost of \$596. Second by Trustee Voss. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

We have a request from the bakery on the south side of Main Street (Marie's Bakery) stating that "No Parking" in the early morning hours was ruining his business. This was carefully investigated by the Chief and he has suggested that if we change our "NO PARKING" signs from 7:30 to 8:30 it will help his early morning business; that it will be a compromise and he will be happy with that, and I would like to recommend it on a trial basis at least. Motion by Trustee McCaw that the parking regulation in front of the bakery (Marie's Bakery) on the south side of Main Street, east of Hough near Park Avenue, be changed from "NO PARKING 6 to 8:30 A.M." to "NO PARKING 7:15 to 8:30 A.M." and that the Ordinance be amended accordingly. Second by Trustee Wyatt. ROLL CALL Ayes: McCaw, Shultz, Wyatt, Voss.

November
President Blanke stated that at the annual meeting of the NORTHEASTERN PLANNING COMMISSION, on ~~October~~ 28th, thirteen questions were presented which are of interest to this area for future planning. (copies distributed to Trustees).

Voss
VILLAGE MANAGER APPLICATIONS Motion by Trustee Wyatt that the Village Clerk be directed to write a letter to the three unsuccessful applicants, as soon as telegraphic reply is received from Mr. Gaffigan that he has accepted the position, that position of Village Manager has been filled, and thanking them for their cooperation. Second by Trustee Shultz. Ayes.

MEETING ADJOURNED at 10:45 P.M. on motion of Trustee Voss. Second by Trustee McCaw. Ayes.

Respectfully submitted,

Mabel M. Schaefer

Mr. John H. D. Blanke,
Village President,
Barrington, Illinois

Dear Mr. Blanke:

In answer to your letter of October 6th with regard to the provision for a cash bond of \$50.00 for work on a public right of way:

I do not think that these sections requiring a cash deposit by the applicant for permission to repair a sidewalk apply to work being done by the village for which the owner of the abutting property pays a portion of the cost, and there is no need to have a separate surety bond for each job, since the contractor and the village are both covered by a blanket insurance policy.

Cordially yours,

Thomas A. Matthews

Gentlemen:

I am enclosing a resolution requested by Treasurer Bernard Zelsdorf to correct the Village's books. During the first quarter of the fiscal year the two items mentioned in the resolution were charged to funds set up in the old appropriation ordinance, but the new appropriation ordinance, when passed, provided a different source for these funds. This resolution will allocate the charges to the proper fund.

Cordially yours,

Byron S. Matthews

Note: Municipal Officials please reserve
Wednesday evening, Oct. 28, 1964 for
meeting of Northwest Municipal Conference
at Municipal Building in Mount Prospect
Subject: Legal Aspects of Refuse Disposal

Meeting of Human Relations Commission of Village of Barrington-October 5, 1964

The first meeting of the Human Relations Commission was convened informally at the Village Hall at 8:15 P.M. by Trustee Robert Long, in the absence of the Mayor and other trustees. A letter of instructions from the Mayor was read. The members of the new commission present at the first meeting were the Rev. Olson, the Rev. Nyman, Mrs. Kramer, Mrs. Gayer, Mrs. Wilder, Mr. Anderson, Mr. Hanchett, Mr. Lipofsky, Mr. McLean, Mr. Reese and Mr. Rosenfeld. Mr. Long, who was designated the commission's advisor, addressed the members briefly and excused himself.

It was decided that the first order of business should be to elect temporary officers. Accordingly it was moved by Rev. Nyman, seconded by Mrs. Wilder, and voted unanimously, that Corliss Anderson be Chairman pro tem. It was then moved by Mr. Rosenfeld, seconded by Mrs. Kramer, and voted unanimously, that Mrs. Wilder be temporary secretary. It was agreed that election of permanent officers be postponed at least until the next meeting.

The next order of business was the drawing of lots for one, two, and three year terms. The results were as follows:

<u>One year</u>	<u>Two years</u>	<u>Three years</u>
Kramer	Capulli	Anderson
Lipofsky	Gayer	Gerhard
Olson	Hanchett	Nyman
Plagge	McLean	Reese
Wilder	Rosenfeld	Schwemm

The secretary was directed to order the following material for distribution to the village trustees and commission members: twenty-five or thirty copies of each seem to be indicated. Extra copies would be kept at the Village Hall with perhaps a set at the Library.

1. Guidelines for Establishing Local Human Relations Commissions and Councils - State of Illinois, Nov. 1963.
2. Illinois Commission on Human Relations-10th Biennial Report, May 1963.
3. Local Human Relations Commissions and Councils in Illinois, 1963.
4. Guidelines: A Manual for Bi-Racial Committees published by the Anti-Defamation League of B'nai B'rith.

Chairman Anderson asked Rev. Olson to give a report of his experiences on the Freeport, Ill. Human Relations Commission.

The discussion then centered on the intentions of the Village Board in establishing a Human Relations Commission by ordinance, and the possible scope of its work. The following subjects were touched on: the desirability of establishing a "crisis plan" for village officials (this was used successfully in Skokie and Elk Grove Village); the need to catalogue, for the village trustees, all the various state and federal laws which are presently applicable in Barrington in the field of Civil Rights and Human Relations and the suggestion that Chief Muscarello be invited to address the commission on police methods and law enforcement in the event of a move-in.

In the matter of public information, it was the consensus of the commission members that ways should be very carefully explored to keep the citizens of Barrington well informed on the deliberations of the commission.

The members decided to request of Trustee Long that the next meeting date, at which the commission be formally installed be either Monday, October 19 or Wednesday, November 4. Rev. Olson was directed to invite Bill Williams, executive director of the Illinois Human Relations Commission, to address the trustees and commission members jointly.

The meeting was adjourned at 9:40 P.M.

Respectfully submitted,

Re.: Interpretation on Cash Bond Ordinance
For Work in Public Right-of-Way

Dear Attorneys:

Enclosed is a copy of minutes of village board meeting Oct. 5 mailing and Sept. 28, 1964 meeting. Please refer to first paragraph on page 3. The trustees asked Supt. Johanesen to telephone you as to the \$50. cash bond which property owners have been required to file with the village clerk wherever sidewalk on public places is to be replaced by a contractor, with the village paying one-half or three-fourth of cost of such walk, the property owner paying first to the village his portion of total cost of job.

The following information is given to you by the Village President, after discussing the matter with Supt. Johanesen, so you can better give your interpretation to the village in writing.

Bond Ordinance No. 616, passed March 21, 1954, requires \$50,000 bond plus a \$50 cash deposit. This ordinance was incorporated later in the Municipal Code of 1957 as Section 9.118 in Article 1 of Chapter 9, Streets and Sidewalks.

Said Ordinance No. 616 was amended by Ordinance No. 659 passed Oct. 31, 1957, as to the last paragraph in said Section 9.118, so as to comply with provisions of paragraph 2 of said Section 9.118, stipulating that no cash bond of \$50 is required in lieu of a blanket policy carried by the village with coupons offered to contractor.

Ordinance No. 668, passed Feb. 10, 1959, provides a new Section, 9.125, in the Municipal Code, requiring a \$2.00 fee applying to the blanket insurance policy of the village.

A \$50,000 bond is required also under Section 9.103 and Section 19.503 of the Municipal Code.

It is my opinion that no \$50 cash bond is required in lieu of \$50,000 surety bond and the \$2.00 certificate toward blanket policy.

John H. D. Blanke, President
Village of Barrington, Illinois

Trustee Wyatt

Report Prepared and Filed by President John H.D. Blanke of the Village of Barrington, Cook and Lake Counties, Illinois, on Wednesday, Oct. 7, 1964. at a Public Hearing by the Zoning Board of Appeals held on Petition of Barrington Trucking Company and Northwest Truck Service asking for variation in zoning restriction as indicated in legal notice of Public Hearing published Sept. 17, 1964 in the Barrington Courier-Review

The subject property, at 541 N. Hough Street, is now zoned M-2 Manufacturing. The current zoning ordinance of the Village of Barrington, passed March 9, 1959, requires in Section 13.2-3-2, applying to M-2 District, a rear yard of 30 feet minimum where M-2 land abuts on R residence property as it does on subject property; and no rear yard otherwise.

Prior to March 9, 1959, subject property was zoned D business district, and so indicated on a zoning map of the village dated April 5, 1954. In fact, the subject property was rezoned from A residential to D Business District by Ordinance No. 449 passed Nov. 5, 1945 as an amendment to Zoning Ordinance No. 100 of the Village of Barrington effective July 6, 1926.

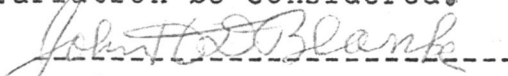

Subject property and adjacent land was acquired by Public Service Co. of Northern Illinois as follows: Parcel A, occupied by a service garage and office building, January 2, 1946; Parcel B, occupied in part by Flint Creek channel, August 4, 1947; and Parcel C, occupied by a sub-station and formerly also gas storage tanks and pole yard, Nov. 11, 1911. Parcel C, identified legally as Lot 18, has been zoned manufacturing since 1926. An easement ten feet wide for electric services exists on subject property along its eastline and may not be occupied with buildings.

Zoning Ordinance No. 100, in effect from July 6, 1926 until March 9, 1959, specified in D Business and E Manufacturing districts a rear yard of ten feet minimum width, as detailed in Section 6, Rear Yard, and Section 7, Rear Yard. No other restrictions as to rear yard width for D and E districts are specified, even where such rear yard abuts on residential property.

The current zoning ordinance, adapted March 9, 1959, states in Section 6.1-1:

"Any lawfully established use of a building or land, at the effective date of this ordinance, or of amendments thereto, that does not conform to the use regulations for the district in which it is located, shall be deemed to be a legal non-conforming use and may be continued, except as otherwise provided herein."

It is recommended that reference be made by the Zoning Board of Appeals to Section 6.6, Exceptions, of the current Zoning Ordinance, and a firming up by grant of Variation be considered.

John H.D. Blanke, President
Village of Barrington, Illinois

BE IT RESOLVED, that Mr. Patrick J. Gaffigan be and he hereby is employed as the Village Manager of the Village of Barrington, Cook and Lake County, Illinois. The effective date of such employment to be November 15, 1964. The salary of said Village Manager shall be at an annual rate of compensation of \$10,000 per year, payable semi-monthly.

BE IT FURTHER RESOLVED, that payment is hereby authorized for the moving expenses of Mr. Patrick J. Gaffigan from Gaithersburg, Maryland to Barrington, Illinois.

BE IT FURTHER RESOLVED, that the Village Clerk be and hereby is directed to notify Mr. Patrick J. Gaffigan of his employment by telegram and to request a reply from Mr. Gaffigan as to his acceptance of such employment.

BE IT RESOLVED, that Mr. Patrick J. Gaffigan be and he hereby is employed as the Village Manager of the Village of Barrington, Cook and Lake County, Illinois. Re: Billing for Lill Street
Paving Improvement
C.T.&A. 61-178

Gentlemen:

In explanation of our billing on the above referenced project, we wish to advise you that the original assignment was received in a letter dated Nov. 15, 1961 over the signature of the Village Clerk. The assignment called for a survey of "Lill Street between Lincoln Avenue and Coolidge Avenue, so that curb and gutter can be installed.". A preliminary design was prepared and sent to Mr. Long, the then chairman of the Streets Committee. No action was taken in either 1961 or 1962 and a invoice was rendered to the Village of Barrington in the amount of \$451.30 on February 25, 1963, which covered services performed to December 31, 1962. A photostatic copy of this bill is attached for your information.

Authorization for preparation of plans and specifications was contained in a letter from the Village dated August 16, 1963. These plans and specifications were prepared and transmitted to the Village on October 16, 1963. Our invoice dated September 22, 1964 in the amount of \$383.80 covers services rendered in 1963 subsequent to the initial invoice, covering the preparation of plans and specifications.

Very truly yours,

CONSOER, TOWNSEND & ASSOCIATES

Re: Eastern Ave. Paving Improvement
C. T. & A. No. 64-184

Gentlemen:

We have requested and obtained from Walter H. Flood & Co. a proposal for providing a soil investigation including a determination of the bearing ratio for the proposed paving improvement in Eastern Ave. This is in compliance with the requirements of the State Highway Department in regard to design of flexible pavements. The total cost for this work is \$335, and it is our recommendation that this proposal be accepted by the Village of Barrington and instructions be given to Walter H. Flood & Co. to proceed with this work at once. A carbon copy of the letter of proposal is enclosed.

Very truly yours,

CONSOER, TOWNSEND & ASSOCIATES

Members of Human Relations Commission of
The Village of Barrington, Illinois

Dear Members:

The President and Board of Trustees of the Village of Barrington had planned to be at your organization meeting this evening in an advisory capacity. However, another matter demanding our attention at that time prevents us from attending. Therefore, as President of the Village of Barrington I shall offer a few comments for guidance at your tonight's meeting.

1. Designate a chairman pro-tem to conduct your tonight's meeting
2. Elect a chairman, a vice-chairman and a secretary
3. Name one-third of your membership for a one-year term, another third for a two-year term, and the last third for a three-year term in office on the Human Relations Commission of the Village of Barrington.
4. Submit your list of officers and service periods of members to the Village Board for concurrence.

Your commission may wish to set date and place of future meetings and also establish a course of action. Please be guided by the stipulations in Village Ordinance No. 831. As further guidance I submit herewith for your secretary's file the following:

1. "Guidelines for Establishing Local Human Relations Commissions and Councils."---State of Illinois, Nov., 1963.
2. "Illinois Commission on Human Relations---10th Biennial Report, May, 1963."
3. "Local Human Relations Commissions and Councils in Illinois, Nov. 1963."
- 4/ Three tearsheets on activities of Human Relations Commission in Palatine.

At the next village board meeting, Oct. 12, 1964, I shall designate Trustee Robert J. Long as the Village Board's advisory member to your Human Relations Commission. Please feel free to consult with the President and Board of Trustees of the Village of Barrington as need arises.

Sincerely Stated,

 John H. D. Blanke, President
 Village of Barrington, Illinois

J. Frank Wyatt, Trustee:

MEMO:

Dear Mr. Wyatt:

Enclosed are copies of letters received from the 2 Village Managers who drove to Barrington for interviews during their respective vacations. We had written to these gentlemen requesting mileage, etc.

You will recall that the other two gentlemen interviewed were reimbursed for air transportation plus \$20. for 2 days expenses.

Since I will be on vacation starting Oct. 5th, it would be appreciated if you would let Miss Schaede know the pleasure of the Board as to reimbursement of the two applicants: Johnson & Mills in time to be included in the list of bills for the meeting of Oct. 12th, which information she should have by Thursday the 8th. Thank you.

Cordially,

May L. Pinkerman

Dear Mrs. Pinkerman:

Thank you for your letter of September 24th in which you ask for a memo stating the number of miles involved off of my scheduled trip in making the stop in Barrington.

I am pleased to say that there were no miles involved. My wife and I made our plans so that the route would include a visit to Barrington and we did not go out of our route and, since we enjoyed our visit to your village and our stay there, I do not want this to be an expense to the village. Therefore, I shall appreciate it if you will inform the Board of Trustees that there will be no expense involved in the trip.

Yesterday, I tried to reach you by telephone since it occurred to me that there might be a meeting of your Board last evening. I learned that you were out of the city and left a message for you, explaining that I would confirm the message by letter.

I want to thank all of you again for the hospitality offered on my visit. It was a pleasure for me to have met so many pleasant people, to have had the opportunity to tour your lovely village, and I hope that it may be my good fortune to see you again soon.

Sincerely,

Allan W. Johnson

j

Snyder Quits As Manager

HIGHLAND PARK — Ralph W. Snyder has resigned as city manager of Highland Park, Mayor Fred Gieser announced yesterday at a press conference.

Snyder, 43, city manager for nine years, has accepted a similar position in Walnut Creek, Calif., a residential suburb of San Francisco.

Although stating it was with "reluctance" that the City Council had accepted the resignation, Mayor Gieser said the position offers Snyder a better opportunity for the future for himself and his family and the council would not stand in his way. Highland Park, as a whole, he said, will miss Snyder and regret his leaving.

Walnut Creek, Snyder said, has a population of 22,000, but it is rapidly growing and is expected to reach a population of 40,000 by 1967.

It is the site of Rossmore Leisure World, a new concept in retirement house; contains an industrial park housing Dow Chemical Research Laboratories; has a large shopping center, and earns \$8,000 a year in sales tax refund.

Reports Dec. 1

Snyder must report for his new job Dec. 1 and his resignation will take effect Nov. 15. His formal resignation will be presented to the City Council next Monday night.

"It has been a privilege to have served as Highland Park's first city manager," Snyder said. "It has been a unique experience and I am reluctantly

leaving the many friends I have made here. The position, however, offers new challenges. But there are many things I will never forget about Highland Park."

Snyder said Highland Park's one problem will be to upgrade the community physically and economically.

"No manager I know of," he said, "has had the continuing good support of a City Council. I have never had cause for being disappointed in the council. The citizens do not realize how well represented they are by the City Council."

The mayor said the resignation "came as a shock to all of us."

He added that Snyder will do well wherever he is and commented on the good he has done for Highland Park.

Snyder will fill the position vacated by the Walnut Creek city manager, who resigned to accept a position with the San Francisco Urban Transit Authority.

1954 Changeover

He was named city manager in Highland Park in July 1955 after the city had voted in November 1954 to change from the commission to city manager form of government.

Snyder had been manager of Westerville, Ohio, for five years and had worked in municipal government in Michigan, North Carolina and Chicago. He was graduated from Duke and Syracuse Universities and served as a lieutenant in ordnance during World War II.

He and his wife, Eleanor, have three children, Lynn, 14, Ralph, 12, and Lorena, 7.

Mayor Gieser said the city will advertise for a manager in the city managers' newsletter.

Round Lake Beach Readies Disputed Sewers Test

ROUND LAKE BEACH — With the Kennedy Construction Company's injunction to prevent an inspection dismissed by the Circuit Court, the Village Board last night concerned itself with preparing the television inspection of sewer lines installed by the Kennedy company and rejected by the village engineers.

National Power Rodding Co. of Chicago, who will set up the television system and conduct the inspection, sent a request to the Board that money be put in escrow at a bank, payable to them, for the contract.

Village Attorney John Schultz was authorized by the Board to complete transactions with Power Rodding, and G. E. DeJong, representing his firm, De-

Jong and Associates of Rockford, the village engineers, told the Board that \$10,000 should be put in escrow at the American National Bank in Chicago.

The money will be transferred from the present sewer and water construction account which the village has at the bank.

DeJong also told the Board that he had received a letter from the Kennedy firm, naming his company as partners in the Kennedy company's law suit against the village. The firm wants the remainder of the money called for in its contract with Round Lake Beach for the sewer installation, which the Board is withholding because the engineers have not approved the work.

DeJong said that if the village

wished to retain his firm, they would have to underwrite the engineers' attorney fees and court costs for the case. At the suggestion of attorney Schultz, the Board agreed to pay DeJong's legal expenses.

Ken Herring, chairman of the sewer and water committee, reported that all water meters for the village had been installed, and that the Board still owed a final installment of \$2,284 to complete the \$22,000 expenditure for the meters.

The trustees authorized payment of this bill, and also authorized Herring to spend up to \$600 to buy a used truck for the sewer and water department.

Mayor John Glen began discussion of Marken Sales, a used

car lot on Rte. 21 at Rollins Road.

Glen said that owner Ken Frederickson has a license for a used car lot, but charged he has turned the lot into a junkyard, which, in the mayor's words, is "a blight on the area."

He said that Frederickson had been served with an abatement of nuisance order a year ago, but had made no effort to change the situation, and had not appeared before the planning and zoning board.

The mayor pointed out that there is no present section in the planning and zoning ordinance providing for junkyards in the village, and advised that the Board take action to have the junkyard removed.

Trustee Walter Wischoeffer

chairman of the police committee, asked if the Board was taking into consideration all the junk cars which the lot had taken in for the village at no cost.

Bud Marshall, chairman of the roads committee, said that if the Board got rid of the yard, all auto parts shops and gas stations in the village would become potential junkyards. Mayor Glen said, "That's not our problem."

The Board then voted to have the village attorney take legal action to rid the village of the junkyard.

William Bentley, chairman of the parks committee, revealed plans for changes at the beach front park, basically in the park-

ing and swimming areas.

He said the planned improvements would include adding 3,000 square feet to the parking area; and enlarging the beach area by 1,250 square feet by removing a hill and some small trees and widening the beach 25 feet.

The work will be done by village maintenance crews. Bentley was authorized by the board to spend not more than \$450 on supplies for the lake front improvement.

Apparently as an economy measure, Bentley told the Board that he had requested area residents to send in empty bleach bottles. he said they could be used as buoys to rope off the swimming area.

Trustee Wischoeffer informed the Board that trainer Robert Cairy, of Antioch, was training a dog to assist policemen in their duties, and after the dog was completely prepared (about three month), Cairy had said he would donate the dog to the village.

Mayor Glen instructed police chief Carl Schmidt to make certain the village had insurance to cover the dog and his actions when the time came.

Bud Marshall said that 150 signs and signposts had been ordered from Pontiac penitentiary, where approximately 90 per cent of all road signs in the state are made.

He added that since motor fuel tax funds could only be

used to pay for signs on roads built completely by MFT funds, the village would have to pay the \$1,300 for the signs out of its funds.

Marshall also said that the roads department needed a new dump truck, and the Board agreed to advertise for bids, with an Oct. 22 deadline.

Glen called a special meeting at 8 p.m. on Oct. 12 at the Village Hall, to discuss affairs in the clerk's office. He requested that all Board members be present, and said that the need for the meeting had been brought to his attention by village clerk Amelia Plahutnik.

Also at the meeting, Glen appointed Sy Davis as plumbing inspector, effective Oct. 1.

Diagrams A and B present in 2 alternative development patterns for what is now considered the "suburban" portion of metropolis. Four elements are shown; (residence, work place, open space, and transportation) others have been left out to simplify the example.

- Single-Family Homes 
- Apartments 
- Industry 
- Open Space 
- Highways and Arterial Streets 
- Rail 

PATTERN A: A DISPERSED PATTERN characterized by:

- 1) single family homes predominating but mixed with a small number of apartments
- 2) dispersed individual industrial plants or groups of two or three
- 3) dispersed individual park site
- 4) a dominance of automobile transportation

PATTERN B: A CLUSTERED PATTERN characterized by:

- 1) single-family homes and more apartments than in A, clustered separately on smaller lot sizes.
- 2) large industrial clusters.
- 3) more parks and open spaces than in A, intertwining the various clusters.
- 4) a balanced highway and rail transportation system tying clusters together.

Pattern A provides a mixture of single family homes and apartments each on relatively large lots. The mixture permits a blend of age groups within the communities while the large lots permit outdoor recreation to be largely a part of private home life. The dispersal of industry educates the young in the nature of work places. The dispersal of all the various elements, in fact, adds variety to the community's appearance. The emphasis on street and highway development maximizes the travel benefits where the great majority prefer the advantages of private car transportation.

Pattern B provides a separation of apartments from single family homes and thus means a quieter setting for the homes. The clustered apartments are able to support adjoining shopping areas. Large public park space and private open space is adjacent or close to most residents of the area. The larger industrial complexes would, like the apartments, support adjacent shopping and service areas for worker's use. Industry noise and traffic would be isolated from residential areas. The emphasis on a balanced transportation system allows the individual to select car, bus or train transportation with a corresponding choice of how fast, how cheaply, and how comfortably he will travel.

(a) Do you feel it is desirable to separate residence and industry as in Pattern B?

Comment Yes
No

(b) If industrial tax returns were shared by communities on a per capita basis, would you favor a single large industrial park serving several communities, as in Pattern B?

Comment Yes
No

(c) Do you feel it is better to mix single family homes and apartments (Pattern A), or to separate them (Pattern B)?

Comment Mix
Separate

(d) Do you consider the choice of rail-bus transportation and private car transportation in Pattern B to be an asset?

Comment Yes
No

(e) Do you generally prefer

Pattern A
Pattern B

(f) What improvements would you suggest in the pattern you preferred?
