LBS LADIES CLUB

February 10 marked the day of the LBS Ladies Club Valentine's Day Celebration. We were happily entertained at our Coffee by the Arlingtones, a Barber-Shop Quartet, whose music never fails to delight.

Plan now to do some jewelry shopping at our March 10, 2003 Coffee. BARBARA KRAMEN, LBS resident and a high-fashion jewelry dealer, will present her beautiful jewelry collection. A percentage of the sale proceeds will benefit the LBS Ladies Club Treasury.

Guests are welcomed.

Millrose Restaurant & Brewing Co; South Barrington will be our March 20, 2003 Lunch Bunch destination. Plan to join us for an afternoon of good food and sparkling conversation. Call Doris at 304-0045 for reservations.

The Ladies Club will be having their annual High Tea Party on Tuesday, May 20th at 3:00 P.M. in the Ballroom of the Rec. Center.

In addition to enjoying dressing up in all our fin-

ery, we look forward to Barbara Rinella, actress and world-renowned reviewer of books, giving a presentation.

Remember to save the date of Aug. 10, 2003 for our 2nd Annual LaBinia outdoor concert.

LaBinia 2003: La Binia – music by the shore. . . The Ladies Club of LBS proudly presents their second annual outdoor concert on **Sunday, August 10th**. Once again, “the green” at the Marina will be transformed into an afternoon-in-the-park where friends, neighbors and guests will enjoy each other’s company and the melodic sounds of the 75-piece **Crystal Lake Community Band**. Recently returning from a European engagement, CLCB will bring a touch of a continental flair with a Viennese waltz

and turn-of-the-century favorites. Special vocalist, Donna Kaye, who has performed throughout Chicago, will open our program with her resounding rendition of our National Anthem.

Plan now to join your neighbors - Music begins at 6:00 p.m., but come early and bring your picnic supper and beverages. Little Joey’s (newly opened at the Market Place) offers a variety of

ready-made sandwiches that can be picked up Sunday afternoon. To place an order, call (847) 382-8111. Complimentary bottled water will be provided by Good Shepherd Hospital. See you on “the green” for LaBinia! Admission is \$5.00; Rain date is August 17th.

Other Ladies Club news – The May High Tea was a smashing success! Barbara Rinella outdid herself with a retrospective of America’s first ladies from Martha Washington to Laura Bush. A wonderful time was had by all. Keep your eye on Channel 4 for more interesting and informative events.

Following their recent successful European tour, the Crystal Lake Community Band will return to delight us on **Sunday, August 10** with a concert of favorite musical selections from around the globe – A Good Old Fashioned Sunday Afternoon in the Park!

The concert kicks off with “The Star-Spangled Banner”, sung by Chicago based vocalist, Donna Kaye. Later in the program, you can join in a “sing-a-long” while relaxing on a lounge chair, perhaps sipping chilled wine. Good Shepherd Hospital has graciously donated bottled water in keeping with the “International Year of Fresh Water”. Our own LBS Photography Club will exhibit their award winning “water” photos for your pleasure.

It's not just a concert – it's one of LBS's most popular social events of the season! Join your neighbors – invite your family and friends for a pre-concert picnic and enjoy

a wonderful evening sponsored by the LBS Ladies Club.

The concert begins at 6 PM, admission remains at \$5, and August 17th has been set aside for a rain date. Additional parking will be available at the North Barrington School located at Miller Road and Route 59.

A shuttle bus will be on hand before and after the concert for your convenience.

Other Ladies Club News – Our Monday, August 11 Coffee meeting at 10:30AM will feature Connie Schofield, the President of the Village of Lake Barrington and LBS resident. Our community is so self-contained that we sometimes lose sight of the fact that we are part of a larger community...the Village. Please come and hear Connie speak about the latest initiatives and how we at LBS can get more involved in issues that affect all of us.

Hi, Greg. I spoke with you a couple of weeks ago about our concert here at LBS. I'm attaching a JPEG file showing many of our residents enjoying the day and evening in hopes that you'll find room for it in "Eye On Your Neighbor." "La Binia" is our version of Ravinia.

On Sunday, August 10 the Ladies Club of Lake Barrington Shores sponsored "La Binia", a concert and picnic at the LBS Marina. The **Crystal Lake Community Band**, along with Chicago based vocalist **Donna Kaye** performed a wide array of musical selections from Viennese waltzes to patriotic selections and old favorites. Lake Barrington Shores residents and their guests enjoyed a beautiful afternoon and evening on the green overlooking Lake Barrington. Good Shepherd Hospital generously donated bottled water for the event and many local Barrington businesses sponsored ads for the program booklet.

LADIES CLUB

The 2nd Annual **La Binia** outdoor concert was held on Sunday August 10th and was attended by about 500 people. The weather was perfect and the good fellowship was delightful. Best of all was the wonderful music provided by the Crystal Lake Community Band. The vocals by **Donna Kaye** were especially enjoyable. Listening to Hoagy Carmichael's "Stardust" while watching the sunset over our beautiful lake and the patriotic music with our wonderful country's flag flying were highlights of the concert. Thanks to **Julie and Jim Tortorelli** and all of the volunteers (over 50 of them) who made this special event possible. Our special thanks to all of the La Binia program ad book sponsors who generously donated funds to help us produce this magical music by the lake.

Connie Schofield, the President of the Village of Lake Barrington and LBS resident, was the featured speaker at the Monday, August 11th coffee meeting. Connie gave an interesting overview of the Village, discussing everything from the budget, mosquito abatement, village stickers and zoning issues to her pet project – recycling. A little known fact is that Lake County does more recycling than any other county in Illinois, but more needs to be done to keep our landfills from filling up. Please contact the Village to obtain a recycling bin if needed.

Mark your calendars for the **Monday, September 8th** Coffee Meeting which will be at 10:30AM in the Recreation Center Ballroom. **Dr. Dennis Vickers, Medical Director of the Infant Welfare Society Medical Clinic**, will be speaking to us about this charitable institution that provides affordable health care services to the "working poor". Thousands of families benefit from their good works, which include prenatal care, pediatric care, dental, crisis intervention and much more. Plan to come out and learn about this group that was established in 1911!

Welcome to Lake Barrington Shores!

One of the benefits of living in a Community environment is the availability of a wide variety of social, physical and recreational activities. Many of these activities are organized by the residents of Lake Barrington Shores, and are open to all residents. Visit the Recreational Center and check out the activities in which you wish to participate. Here at Lake Barrington Shores we are fortunate to have a variety of facilities and equipment available to all our residents.

Following is a listing and a brief explanation of clubs, activities and facilities available to you. For further information, please contact the Lake Barrington Shores Social and Sports Director in the Rec Center at (847) 382-1660. One can also view the Community Access Channel for dates and times of meetings of the various clubs and activities.

LBS Activities

Artist League

The LBS Artist League is open to all LBS resident artists. Meetings are held on the 3rd Tuesday of each month at 7:30 p.m. at the Rec Center. Featured programs include artist demonstrations; slide presentations, speakers and artist critiques.

The LBS Artist League Exhibit and Sale held each autumn is considered one of the social events of the year enjoyed by all LBS residents and their guests. The League also displays their members' art in the Rec Center. The Club welcomes artists of all levels and media.

Bowling Highrollers League

The LBS Highrollers is a social league for men and women that bowl 14 weeks at 3-D Lanes in Island Lake every other Sunday afternoon between October and March. The teams are balanced with handicaps within 10 points of each other. The season begins with an annual brunch. At the end of the season there is a Bowling Banquet where awards and prizes are presented.

Bowling Woman's League

This organization is a social bowling league for women. The women bowl at 3-D Lanes in Island Lake every Thursday morning October through March and finish the season with a luncheon and awards and prizes.

Bridge Fourth Wednesday Club

The Club plays Bridge on the fourth Wednesday of each month. Open to men and women, the members meet for coffee and 9:45 AM and play begins at 10:00 AM and ends around 2:30 PM. Each player brings his or her own lunch. For newcomers to LBS, it's a wonderful way to get acquainted. For long time residents, it's a way to stay in touch with friends and neighbors. Guests of residents are welcome.

Bridge Good Shepherd Hospital Marathon

This bridge marathon is a fundraiser for Good Shepherd Hospital and is for the women of LBS, played by partnership participants. The group meets monthly from September through April. Twice a year each member entertains a table of bridge in their home. In April, all the women meet to play as a group at the Rec Center. This all day event includes social hour, catered luncheon, bridge, awards and door prizes. The group is open to all residents interested in joining, as space permits.

The object of this league is to promote challenging competition in the true spirit of golf. Membership is open to any female member of LBS Golf Club, 18 years or older, who meets the handicap requirement as defined in the standing rules. Tuesday is the scheduled league day with the exception of some special events.

Golf Shoresmen League

The Shoresmen is a golf and social organization for primarily retired or semi-retired men who are current members of LBS Golf Club. The purpose is to provide an opportunity for men who live in LBS to meet and get better acquainted. The golf league meets every Wednesday from April through October at 7:00 am with a 7:30 am start. A different 18-hole game with prizes by flight (A-B-C) is played each week. At the end of the season, there is an annual tournament and banquet for everyone.

The Shoresmen Social Group meets for lunch on the first Thursday of every month. The members of the Social Group need not be members of the LBS Golf Club. The Group is involved in many non-golf activities, such as, cards at the Recreation Center, dinner theater parties at the Lincolnshire Theater, trips to Arlington Park and other Chicago attractions. The year culminates with a Shoresmen Christmas Party at the Rec Center.

Golf Sundowners

This golf league is for couples and singles that get together at LBS Golf Club every other Friday evening from May through September for 9 holes of golf. Both partners of the couple need not be golfers. Individuals will be paired with other golfers. Cocktails, dinner and socializing take place after golf.

The LBS Sailing Association (LBSSA) promotes sailing on our lake. Their sailing program includes a July 4th Regatta, the Sunsplash Regatta in August and the summer-long Nugent series consisting of three races every other Sunday. Typically, the social calendar includes the Sunset Party in May, the 4th of July Picnic, Sunsplash Beach Party in August and the Lobster Fest/Awards Dinner in October, along with impromptu float boat cocktail cruises and cook-outs on the beach on Sunday afternoons. Residents who wish instructions in how to sail can join the Sailing Association for an annual membership fee and request assistance in learning from a qualified member.

In addition to sailors, the Association has many social members. Some social members help run the races from the Committee Boat, others go along for the ride or gather on the beach for fun, food and drink.

Bridge Evening Party Bridge for Men and Women

The LBS Bridge Club meets every Thursday at 7:15 PM at the Rec Center. The Club is open to all residents of LBS and welcomes newcomers.

Condo Association Events

All residents are invited to become actively involved in the business and social activities of their own Condo Association. A good start is attendance at the monthly meetings run by your Condo Board. Participation greatly enriches living at LBS. For information on your individual Condo meetings, be sure to check the Information Channel.

Conservators

The Conservators help preserve the woodland habitat in LBS with special projects throughout our naturalized areas including both the forest preserve and lake. Volunteers work from April through October at 1:30 p.m. on the 1st and 3rd Saturdays and 1:30 p.m. on Tuesdays.

Fishing

Fishing either from shore or LBS rowboats is allowed in our 90-acre lake that is stocked with Panfish, Bass, Northern Pike and Catfish. Live bait other than worms is not permitted and a current fishing license is required! Panfish are "keepers" but other fish are on a "catch and release" basis. Oars and lifejackets are available from the front security gate. Personally supplied electric trolling motors can be used.

Garden Club

This is a volunteer group that plans and works with the Landscape Commission to beautify our community especially LBS's common flower beds with both seasonal and holiday plants. In the Spring, the Club sponsors a "Spring Plant Sale" of bedding plants and hanging baskets. Proceeds of the sale are used for fall flowering plants and other beautification efforts. A "Garden Walk" is held in July providing an opportunity to visit some of the wonderful gardens and courtyard areas of participating LBS residents. Garden Club meetings are held on the 2nd Thursday of the month at 7:30 p.m. at the Rec Center.

Golf Golfing Solos

Membership of this social league is open to couples and singles that are LBS Golf Club members with a current sanctioned handicap. Social memberships are also available to LBS residents who are members of LBS Golf Club. Golfers participate in a 9-hole format on alternative Fridays commencing the beginning of May and finishing the end of September. Each week, sign up is on a first come first serve basis and may be done individually, or in groups. Cocktails, hors d'oeuvres and dinner are served at the LBS Recreation Center immediately following the golfing activities.

Golf Women's 9 Hole Golf League

This league provides women with a positive and friendly atmosphere where women can improve their golf skills and learn the rules and etiquette of the game; to promote safe and courteous play among the members while establishing fellowship and golf contacts within the LBS Golf Club.

Golf Women's 18 Hole Golf League

All residents who love to garden are welcome to join the Shorecroppers at their annual Registration and New Members Party the first Sunday in April. Refreshments are served along with a brief overview on the joys of becoming a Shorecropper. Growing your own vegetables is both fun and rewarding and you will have an abundance of grateful neighbors.

A minimum fee entitles one to a garden plot, to utilize yourself or share. The field is plowed and wooden walks are installed. Water and hoses are provided, as well as fresh fertilizer, garden tools and tomato cages.

Shorestitchers

This is a small Social group focusing on all types of needlework; counted cross-stitches, crochet, quilting, knitting, mending and needle point. All levels of skill and interest are welcome. The group regularly meets on the 2nd and 4th Tuesdays at 1:00 PM in the upper level of the Rec Center and welcomes anyone at anytime.

Tennis

There are 10 courts available for play for personal or Lake Barrington Shores Tennis Association (LBSTA) use. There are ball machines available for rent and tennis lessons available through a local professional. The LBSTA schedules round robin, team and individual tournaments with local competition and with neighboring tennis clubs.

Tennis Platform/Paddle

This sport combines tennis and racquetball skills and is played from October through April in our 3 heated and lighted platform courts. Guests or participants may choose to view the courts from the warming facility. Paddles and balls may be rented. Required reservations may be made through the Rec Center.
