World's Health

Dr. J. K. Funk, 200 South La Salle St., Chicago, Ill., Oct. 7, 1902.

Eight months ago I was afflicted with a severe rheumatoid arthritis. My joints were stiff and swollen, and I could not walk. I tried many remedies, but nothing helped. I then read of your medicine and bought a bottle. I took it as directed and in a few days I was able to walk. I continued to take it and in a few weeks I was completely cured. I have not had a recurrence since. I can now do all the work I wish to do. I am very grateful to you for your medicine. I have recommended it to all my friends and family.
