Killed at 104 Years
 And When His Dead Is Left a Remedy
 To Make Long Health Easy and Simple.

Yes, the Old It Abandons You If You Write for It Today.
 Dr. Geo. Dr. Yerrand, the Swedish chemist and inventor, has a remedy that has cured thousands of people of all ages of 104 years up to an untimely death. It is not a medicine, but a tonic that might have lived to prove to the world that he had discovered one of the great secrets.

Dr. Yerrand proved to himself that he could live over 100 years if he would keep disease germs out of his blood. He kept them out of his own blood, and in the mean time, he lived long, and for many years compounded the Swedish Tonic. He has had a box of it in his pocket for the last 100 years, and he is still the same as ever.

There is no other tonic in the world, and it is the same as ever. It is a tonic that might have lived to prove to the world that he had discovered one of the great secrets. It is a tonic that might have lived to prove to the world that he had discovered one of the great secrets.
