Keeper's of dram shops in this village has fallen off almost 30 per cent in the past to years. That is a big define in bostness but it not doubted by those who have noted the change in those who have noted the change in the village but almost the contrast which will be the change in the chan interty is an issue which is best wid out by reform budies. They ton is now asked "Will the lice question be thrashed out again at coming spring election?" It is as though it would.
