

PROVES GREAT POWER

When Regular Medical Treatment Failed, Dr. Williams' Pink Pills Cured Her Rheumatism.

Hundreds of people afflicted with rheumatism have spent years under the care of eminent physicians. But the **beneficial** effects of this medicine were first discovered by Mrs. **Blossom** who was unwilling to join the ranks of the hopelessly-rheumatic. Her doctor did not know how to help her.

"Four years ago I suffered greatly with rheumatism in my hands and feet. After I had been under the care of Dr. **Blossom** several months I could hardly walk. It was the first struggle. For long months I moved slowly, but just as I was about to give up, I bought a box of Dr. **Williams' Pink Pills**. I had never heard of this medicine. I took them and was completely cured."

"I have a testimonial from Dr. **Blossom** who writes: 'I had never seen you get out of bed. You were pale as a ghost.'"

"At different times I had read various publications about Dr. **Williams' Wonderful Pink Pills**. For some time I had made up my mind to buy them and I finally decided to do so. It was really for four months in the winter with the rheumatism. I took them and was completely cured."

CHAPTER VI.

It was the night of December 15, 1874, with a cold wind from the north blowing strong. The night was dark and the stars were shining brightly. The wind was howling and the snow was falling. The night was dark and the stars were shining brightly. The wind was howling and the snow was falling.
