THURSDAY, JULY 22, 190 HERE'S TO THE MAN.

Who has worn the laurel above

And played his part in the gau

Here's to the man who has once bee Who was proud when he walked

Here's strength to him and a lovin

The man who is down and out.

Secretary of Agriculture Wilson say that the country's crops this year will be worth \$8,000,000,000. If a gentlemed Patten has his way abou it they will bring more than day in the week.

"It still pays to be the seventh daughter of a seventh daughter. One fell out of a fifth story window in New York and landed unburt in a baby buggy." How about the baby Flies appear to be paying as much

attention to the war that is being waged on them as a trust do state statute that it does not feel like obeying.

Ice water is more dangerous than alcohol, according to a New York physician. What excuses men do invent for the entertainment of their

Congress has just voted \$25,000 to add to the interesting government exhibit at the Alaska-Yukon-Pacific exposition. It will send President

Longfellow's bridge over the Charles river has been declared unsafe. It is dangerous to stand "on the bridge at midnight" or any other hour.

It modifies the actions of certain statesmen to reflect that Theodor Roosevelt presently will be healthier than ever.

President Taft is so polite that if he vetoes the tariff bill he will do it with

his very kindest regards. Being able to distinguish a go

thing at a glance, Elgin wants the encampment again.

Something Worth Remembering.
There's no reason for a man to get
swelled up because he's so fastidious
that he puts on a swallowtall and
open-faced vest promptly at 5 o'clock
every night. Every waiter does that.
—Fort Worth Record.

Algeria Taking to Condensed Milk.
Algeria, in common with many other
f the backward countries of the east,
taking with avidity to one product

No Harm in Air ,Castles. ulding air castles is a solace to overworked and overburdened. It be a blessing or a curse. If you do a day's work cheerfully and rol your castle-building there is

On Husbands.

There is always the consolation at the bottom of the cup of spinsterhood—"Better no husband than a bad one. And the bad ones are overplenty.—Frances, in London T. P.'s Weekly.

The Secret of Happiness is always in letting a woman have own way, but in letting her have rithout letting her now that you we that she's getting it.

There's a Reason for it.
Then an actrees gets old enough to willing to publish all her love letit may be taken for granted that last of her copy was in several rase.
