Cook County Press Club Visits Midland City

South Bend, Ind.

TRAVEL SHORE ROUTE

Enjoy an Afternoon at Hudson

Lake and Banquet at South Bend

South Bend.

Based on the first cars that operate on any electric railroad in the middle west, with seventy miles of track above the ground, and with full cars locked securely in the office safe, Cook county editors and publishers are enjoying the pleasure of a trip to the lake.

Enjoyed by the fact that fishing is fine, bathing is beautiful and the air is delicious. The editors found for a few hours their homes of calligraphic subscribers and creditors arranged on the piazzas of their childhood. Two special cars for the trip were deeded with the most magnificent of meals. It was aboard the train and in all other ways the trip was a most enjoyable one and forms the nucleus of a collection of the trip for the welfare and enjoyment of its members.

It is generally known, the Chicago Lake Shore & South Bend Electric Railroad, which is the first of its kind in the world.

It is a moment's walk from the station at Gary and all was changed. Recently the electric cars have been running on the streets and in the business of the commercial world. The lake shore and the electric cars have been a great success of the world.

Terre's Big Company

That Uncle Tom's Cabin will draw a crowd of thousands Monday evening when Terry's act, featuring over 1,000 people, was filled to its capacity.

The old time favorite was attractively presented, many of the characters being excellent. The parts of Uncle Tom, the boys, the plantation dandies, etc., were taken by real actors, adding a touch of realism to the play. The orchestra was good and the band which played an excellent program of music, songs and dances and banquets at noon, which was very interesting, entertained the guests.

JUBILEE DAY AT CAMP

Pioneers of Des Plaines Meet

ings Brought to

The Fore.

Jubilee day at the Des Plaines camp meeting brought to the fore the pioneers of this great city, in the Methodist church. Those that have lived in this city for many years, were among the honored guests of the day.

They were met by a song written by the late H. C. Jackson, former district superintendent of the Chicago conference, and a song written by him for jubilee day, entitled, "O, Des Plaines, my home town."

Dr. P. H. Houghton, pastor of the church, presided at the camp meeting, which was one of the leaders of the singing during the camp meeting.
