Residents of this village were raised the cry of fire at a quarter of 10 on Tuesday night. It proved to be H. H. Hulse, a farm on Lincoln street, which had been set fire by a light of light from the front of the house. The man who was on the scene at the time, but how he got there and what he was doing is not clear. The fire was quickly extinguished by the use of public water.

The new school district number 34, bounded around through the woods. The names of school district number 34, recently called by Prof. Sankler, were the old equivalent of the village of Zurich. The number probably less than 2000, of the village. The names of the school district are: Zurich, 771; 421 of both areas between the age of 16 to 21 and 145 are under 16 years of age. The number of residents of the district live in Lake county is 300, while the other 145 are Cook county people.

Mr. O. Gould has a visitor at Barrington the past week. He is a citizen of St. Louis, Mo., and having been for many years a dry goods merchant, is closing out his business and finally bringing to an active close to this month and making the rest which rightfully belongs to a man of 60. Mr. Gould is settled now of Joel P. Gould, who settled in Barrington towards fifty-six years ago. He was taken away from here five or six years of age and four-year-teen years he has not been back. He and his family wife have been across the Commercial Hotel.

A BERRY CARRIER.
Old-fashioned Veal Made Use of on Farms to Carry Berries in Crates.

One of the most convenient appliances for use in the strawberry field illustrated in the cut above here is as tender and sweet as chicken. We see that you get it when you come to this market for your meats. Fine roasts of beef, juicy shoulders and hind quarters of lamb.

Berry Cart Carrier.

It shows a novel use for the old-fashioned veal used so commonly in the home. It is so readily understood that no description need be given.

Bycott Bill on hand. British crock firms have decided not to use any more corin from the Portuguese islands of Sao Thome and Principe because of the ill treatment of the natives working on the plantations.

Eight Wonders of the World.
There are said to be seven great wonders in the world, and it is every woman's opinion that if an eighth were added, it should be the man's concubine ("Admission" 10 Cents).

Bad Uncle Steve.
"When a woman asks her husband to go and pick up a basket of chips, she has in mind a different brand than hubby has."—Los Angeles Express.

That's So.
"The time, the place, and the girl. How seldom do you find a man and another rare combination in the man, the scheme, and the coin."—Herald Tribune.

Properly Graded Tax Rates.
Tax rates are so graded in Holland that the heaviest burdens fall upon those who have the most property or income.

Philosophy.
"They say most good fish in the sea are ever wetted, but no body knows ever appears to be drier one than himself."

Nature Outside.
You cannot juggle the fly and the spider. You cannot juggle the cow and the pig. You cannot juggle the Hippo and the Peacock.

Caution.
Believe it or not, the HARRINGTON CAKES are being advertised in the adjacent suburb of my friends and neighbors of the 1st and 2nd brigades in extinguishing the fire in my barn with a hose, call it 219.

Highway Notice.—Notice setting of contracts.
Notice is hereby given that proposals will be received by the undersigned commissioners of Highways of the State of Illinois, at the office of the Auditor and State of Illinois, on the 24th day of July, 1906, for the graveling of road as described below:

That the same will be by contract by public bidding to the lowest responsible bidder at the office of the Auditor at 10 o'clock a. m. of said day at the office of July, 1906, for the graveling of road as described below:

Eighty rods of gravel on the Miller road; eighty rods of gravel on the Courtney road; forty rods of gravel on the Adams road; fifty rods of gravel on the Givens road; fifty rods of gravel on the Fry road; a quarter of a mile of gravel of gravel from Henry Berne; forty rods of gravel from Fred bridge; eight rods of gravel at Cahole; forty rods of gravel from Lake street; and fifty rods of gravel from Magee's station.

The bid work is to be done by the contractor and the contractor is to be held liable for the cost of the material.

The amount and kind of work to be done is as follows:
