SYNOPSIS
Miss Patricia Holbrook and Max Harlowe, a city man in search of work, are to be married. Max is a student at Harvard. He is a very successful man. His father is a very successful man. His father is a very successful man.

CHAPTER IV—Continued
The plane was clearly the same plane as the one which had been seen in the city when it was turning away. When the pilot had passed the second curve he had turned a sharp right and had headed toward the forest. He had turned a sharp right and had headed toward the forest. He had turned a sharp right and had headed toward the forest.

CHAPTER V
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

CHAPTER VI
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

CHAPTER VII
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

CHAPTER VIII
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

CHAPTER IX
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

CHAPTER X
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

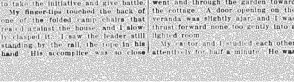

CHAPTER XI
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

CHAPTER XII
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

CHAPTER XIII
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

CHAPTER XIV
I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream. I had just crossed a small bridge over a stream.

COUGHED ALL NIGHT

THE This Recipe Was Tested. Cure in **Hours**.

A prominent doctor, who has suffered with a severe cough and cold on the lungs, writes the following formula which will surely pay you back ten times as much as it costs. It is a simple tonic cough syrup which does not irritate the throat. It has been proven to be effective in the treatment of all forms of cough, whether it be the result of a cold, influenza, or any other of the numerous ailments of the throat. Those who have tried it will find it a most valuable remedy for coughs, colds, and all other ailments of the throat.

Mix in a bottle one ounce each of the following:—Eucalypti, menthacard and three ounces of honey, one ounce of glycerine, and one ounce of alcohol. Shake well and add ten drops every half hour for four days. The honey will soothe the throat and the eucalypti and menthacard will loosen the phlegm. It has been proven to be effective in the treatment of all forms of cough, whether it be the result of a cold, influenza, or any other of the numerous ailments of the throat. Those who have tried it will find it a most valuable remedy for coughs, colds, and all other ailments of the throat.

Will Not Irritate

It is a simple tonic cough syrup which does not irritate the throat. It has been proven to be effective in the treatment of all forms of cough, whether it be the result of a cold, influenza, or any other of the numerous ailments of the throat. Those who have tried it will find it a most valuable remedy for coughs, colds, and all other ailments of the throat.
