**Sinking Spells**

Every Time I begin taking Dr. Miles' Heart Remedy I was having sinking spells every few days. My hands and feet would get so cold; I could scarcely breathe, and could feel myself gradually sinking away until I would be unconscious. Those about me could not tell there was life in me. After these spells I would be very weak and nervous, sleepless and without appetite; had neuritis in my head and heart. After taking the remedy a short time all this disappeared and in a few weeks all the heart trouble was gone.
