"Bug" No Supposition of Terror.
"In connection with humbur," because the second of the connection with humbur," because the second connection with humbur, because the second connection with the last has probably no direct, when up about twe feet. One may use the man time of the connection of the second connection of the demon or boger. It is conjectured that when the objectionable insect became acclimated here, which was not many centuries ago, the terror of its attacks earned it its name. We get 'bug' in its old sense in Shakespeare—This Westleh was a bur that formed in

A very nice frame for creeping vines is made in pyramid shape. Leaving it open to the north, next summer when it gets well covered with plant foliage, it will be an ideal place for the children's play house. For the
