MORE THAN TWO THOUSAND PEOPLE SEE COOPER DAILY

During L. T. Cooper's recent stay in Boston, it is estimated that sixty-dwe thousand people talked with him and purchased his medicine. This is an average of over two thousand a day. His success is so phenomenal as to cause universal comment both by the public and the press. There must be a reason for this. Here is the reason to this. Here is the Cooper when interviewed on the subject. He said:

Percenture Asserted—Specially also also as a contract of the part of the part
