There is an author who has written a book which reflects upon life in Washington. I do not like it.

There is an author who has written a book which reflects upon life in Washington. I do not like it. Doctor Weaver says that what Goldborough told him, and only what Goldborough told him, is a complete record of the shooting of Phillips.

Goldborough came of a family of some prominence in Washington. His father, Dr. Edmund K. Goldborough, was there with his wife and two daughters. Doctor Goldborough told Goldborough that he was in the city at a loss in account for his wife's disappearance.
