FREE ADVICE TO WOMEN

Women suffering from any form of illness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women only, so

that no man can treat a case of her private illness to a woman's shame but has established this confidence in the women of America which has never been broken. Never has she published a testimonial or used a letter without the written consent of the writer, and no one has ever complained that these confidential letters to her got out of their possession, and hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which Mrs. Pinkham has to draw from, it is more than possible that she has gained the very knowledge needed in your case. She advises nothing in return except your good will, and her advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Mrs. Pinkham, care of Lydia E. Pinkham Medicine Co., Lynn, Mass.

Every woman should be sure to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is rather expensive. It is free and only obtainable by mail. Write for it today.
