or against any of these.

The American Civil war presents
the unique spectacle of a conflict argraying a whole nation in arms for
ideas—for principles so firmly held
that both sides were ready to die for
them. It was the trial of the lassus
between conficting ideas of society
and government before the tribunal of
the flood of lattire.

me government before the tributal of the flow of of fluttler.

In the water the best the size with a flutter than the state of the tributal state of the rightcoares of the cause. It was waged until the victors had willouth attendance of the state of th

new but the way across the gree to the historic trees, and it has the being trees and the rich state almost all the rich can be almost all the rich can be almost all the state and the rich and the rich can be read to be all the state and the rich and t

pipes of a house. In large dairles where thousands of bottles of milk are filled daily, the use of an appa-ratus of this nature will save a great deal of time. FROM THE CALF TO THE COW

niespe".
The voter man kwe't reverently while liester, steeping, placed her wrach on the mound me. From the stranger's lips a cry that tearfied the young gif!
When she looked up she perceived that he lad sprung ered and was pressing his hands to his footbear and was threshing temples.
