Gas Heating Division PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

IF you are a user of stove heat, we have a proposition you'll be interested in. You, too, may have the labor-saving convenience and spodless cleanliness of automatic gas heat. We now offer a handsome circulating heater complete with thermosta at \$1 down and \$1 a month. This heater circulates moist, healthful, warm air. It is not a stove, but a complete, self-contained heating system. It harmonizes with the best home furnishings. Installed in any room it not only adds to the beauty of the home, but provides greater comfort and cleanliness. And it gives you all the advantages of automatic heat control.

Get rid of the dirt and muss caused by the ordinary type of stowe heater. Banish care and worry by installing one of these new circulating, gas-operated heaters. No coal carrying, no ash sifting, no extra house cleaning, just even, comfortable heat. Decide now to have this modern hear. The radical reductions of as heating target.

hear. The raideal reductions of gas heating rates
— now less than half of what they were a few
years ago — have made gas heat practical for
every home.

Mail the coupon TODAY for full information.
