Village Trustees Plan

Meeting at my of the street of making the first parts and spirit point of the street of my stree

A resolution was passed, hiring the skew on the first one, John Blanks on the beautiful progress has been made in the drive to estile delinquent has progress and the progress has been made in the drive to estile delinquent has progress has been made in the drive to estile delinquent has progress has been made in the drive to estile delinquent has progress has been made in the drive to estile delinquent has progress has been made in the drive to estile delinquent has progress has been made in the drive to estile delinquent has progress has been made in the drive to estile delinquent has progress has been made in the drive to estile delinquent has progress has been made in the drive to estile delinquent has progress has been made in the following brief summary of the summary of the state of the event.

Siberian History Bared in Russian Colontation in Stheria; and as pecial ending the summary of the drive of the event. Siberian delication in Stheria; and the summary of the summary of

The Grashy Takes
The Grashy token (1971) was
The Grashy token (1971) was
private copper colonge insoed by
John Higley, of Grashy, Cona,
where there were copper mines,
afterward used at Tory prisons and
afterward used at Tory prisons and
workshops. The obverse was a deer,
workshops. The obverse was a deer,
creaced. The reverse was three
hammers on a triangular field, each
aurmounted by a crown, and with
the itered, "I Am Good Copper."

Card Thanks
We wish in this way to express
ur sincere appreciation to relatives, neighbors and friends for
their heautiful doral offerings and
kind expressions of sympathy; to all
who donated cars and to all
who in any way extended kindness
and sympathy during our recent
breavement.

August Sempf and family.
