Look Into the Future

Our pioneer ancestors, fighting Indians, surveying the wilderness and leaving homesteads out of the raw, new country little dreamed of the problems the future would hold. We of today face difficulties no less trying and soul-stirring. The future may be as full of change as today is to the past. Only the simple virtues of common sense and thrift survive. Look ahead with the confidence of financial stability. Save a part of your present income for the future.

THE FINEST CARS IN ALL FORD HISTORY

Yes! they're big, roomy cars, same as the brilliant '35's, but with more style and rich appointments... and quiet, sweet-running V-8 engines!

THE NEW Thrifty '60" V-8 cars save you money, in a great big way, without costing down joy or comfort! They have the same Crown-Pointe ride as the brilliant '35" Ford V-8's. The same record-on-steepl structures. The same new quick-stopping, cap-swinging brakes. The same big luggage compartments and sweeping modern lines... But the '60" is powered by a smaller engine and carries a lower price tag. And though it can't quite match the thrill of the pick-up speed... it is still amongst America's best-performing low-price cars... Smooth, quiet and flexible as only a "V-8" can be! Won't you come and see one today?

Her Wedding Ring is bigger than a Wash tub

JUST AS YOUR HUSBAND has been advantaged by labor lightening services, you too must banish burdens that take your time and sap your strength. For the modern matron must have freedom—freedom to become her husband's partner in work and play. Her wedding ring must symbolize a larger circle, a circle big enough to hold her hopes... and his.

Old-fashioned washday in your home is your biggest household handicap. You know full well the worry of washday, the bother of preparation; the steam and squal, the heavy baskets to carry; aching muscles, jangled nerves, a topey-turvy home.

But you can step out of this unpleasant environment by sending your clothing to the laundry.
