Dundee Takes Regional By Winning All Games

The BHS Bronchos suffere The BHS Bronchos suffered their destined defeat losing to Dundee by a 10 to 26 score in the Regional tournament held at Crystal Lake Thursday evening.

Dundee kept the Broaks on the defensive, which was rather weak, most of the game and held them to one free threw during the first usurer. The Broaks managed to break loose for only five points during the first three periods and scored the remaining five in the last quarter. Numerons should were made by the local team, but few made by the local team, but few made by the local team, but few made to the first three products and a group of fast moving and accurate shooting men. While Thursday's game looked rather had compared to the playing of the Broaches during the last of the conference games it was a loss that was expected because of the reputation of Dundee's aquad.

Dundee Comes Through Dundee kept the Bronks on the

position of Dundee's squad.
