Woods are luxurious, but they can be an expensive luxury. There exist today many beautiful and practical forms of wood paneling which, for all the beauty they impart to any home, can be installed for little if any more than the wall treatment generally given good homes.

The rich, warm beauty of genuine WOOD walls is within the reach of ANY HOME OWNER OR BUILDER . . . and wood walls may be as quickly and inexpensively installed over old broken plaster walls as in the new home under construction.

We will gladly assist you in arranging a convenient P. H. A. plan for financing your improvement

BETTER LIGHT . . . BETTER SIGHT ABOUT THE NEW LIGHTING SERVICE FOR RESIDENTS OF BARRINGTON

Every home is entitled to this new service . . . offered without charge by the Public Service Company

The Public Service Company now offers residents of Barrington a new lighting service. Our Home Lighting Advisors, thoroughly trained in lighting and the interior arts, are prepared to visit you in your home. They have no lighting equipment to sell, but they can offer you many interesting and practical suggestions.

Good light, combined with a simple knowledge of colors and arrangement, can do much to improve the appearance of the home. It adds new charm and beauty . . . gives life and atmosphere to rooms. Then, too, good light is an important aid for eye conservation and general health—particularly so in the case of growing children.

When the Home Lighting Advisor calls at your home, take advantage of the valuable service she can give you. Should you wish to have a Lighting Advisor call at some particular time, just phone your Public Service office and tell us your preference.
