

# Bears Meet Elgin Stags in Second Contest of District Tournament

## Blast Roselle in First Game, 13-0, at Elgin Friday

Travel to Tournament Park Wednesday; No Game Here Sunday

The Barrington Bears officially declared themselves in the district baseball tournament being conducted at Elgin by whipping Roselle in a shut-out game last Friday night, 13 to 0. Behind the artillery of pitcher Bob Stickers the Bears collected 12 runs in six and two-thirds innings, when the game was called under the tournament ruling providing for calling or halting of the game when a team leads by eight or more runs at the seventh. Stickers allowed two hits, both singles.

The Bears played their second tournament game in tournament park in Elgin Wednesday night. The Elgin Stag Bears, white hopes of that city, were drawn as their opponents.

The Bears, with a revamped lineup, represent a powerful aggregation when clicking. If Stickers can repeat his performance or come close to it, the Bears will be hard to stop. However, by playing Roselle and the Stags at the outset of the first round of play, it can be regarded as indicative of the tournament managers' estimation of the locals' chances. Both teams have been regarded as the potential winners by forecasters.

The results of Wednesday evening's game will be found elsewhere in this issue of The Review.

The tournament is run on the double elimination system, two defeats being necessary before a club is dropped. Winner of the district will then be sent to the state tournament with a chance for the national title.

An aggregation composed of regulars and substitute players traveled to Glen Elgin Sunday and took it on the chin for a 1-6 to 1 count. When started on the mound for Barrington and pitched four innings. During that time he allowed nine runs on nine hits, two wild throws, hit two batters, struck out three and there were four errors.

When Whon headed for the showers the big parade of pitchers started. C. Altenburg going in

to hurl for the fifth inning, setting down three batters with no runs before retiring.

Faced with a scarcity of pitchers, W. Altenburg then went out in the sixth and was gently greeted with a pair of homers, three walks, and two errors for a grand total of seven runs.

Bob Condit went out to subdue the Glen Elgin riot in the seventh and pitched for two innings without being nicked for a run. The ninth inning was not played.

Following is the box score of the first tournament game between the Bears and Roselle:

Barrington, 13—	AB	R	H
W. Altenburg, ss	4	2	0
Russell, 1b	3	2	2
Eisermann, 2b	2	2	2

**Paul Clark Earns Master's Degree**

Paul Clark of the Barrington high school faculty received his master's degree from Northwestern university at its 79th commencement program Saturday afternoon.

William Beerman, son of Dr. and Mrs. E. A. Beerman of Barrington was a member of the graduating class in the school of engineering.

The following residents of Barrington attended the commencement program: Dr. and Mrs. E. A. Beerman and daughter, Norrine, Mrs. Paul Clark, Mr. and Mrs. Erman S. Smith, Mr. and Mrs. Henry Sess, Mr. and Mrs. Ira Banks, Mr. and Mrs. Harry Decker, and Mrs. E. L. Read and daughters.

**Changes in Rules of Neatest Farms Contest by P.M.A.**

Chicago's "honest-to-goodness" dairy farmers will again have their chance to recognition and honor, it was revealed today when the Pure Milk association officially announced the opening of the 4th annual Chicago's Neatest Dairy Farms project. Entries will be accepted up to midnight of July 10, 1937.

An all-expense, 8 day trip to Yellowstone National park will be given to the dairy farmer and his wife whose farm is declared the "neatest" in the Chicago milk shed among PMA farms this year.

Interest in the project is high, especially in view of the fact that

two major changes have been made in the rules to equalize competition. They are:

1. Last year's grand champion dairy will not compete until 1942.
2. The previous district champions in each of the association's 15 districts may not compete again for the district championship this year, but may compete for the title of "Grand Champion Neatest PMA Dairy Farm" provided their rating equals that of the 1937 district champion.

The 14,500 members of the

**PLENTY OF HOT WATER**

**BUY AN AUTOMATIC GAS WATER HEATER FOR COMPLETE HOT WATER SERVICE**

● Sticky, sultry days—days when father and the children want plenty of hot water to clean and refresh themselves after a full day of work and play. A gas hot water heater in your home will bring you constant hot water instantly for this and other domestic needs. Cleaning, scrubbing, washing—you can do them all—and you'll find there's oceans of hot water always with an automatic gas water heater.

What's more, it's completely automatic. There's no fuss or bother, no running up and down basement stairs to tend bothersome hand-operated water heaters. It's the complete Hot Water Service that gives you no worry. It's hot water that is always on hand for instant use.

Visit your Public Service store at once. Don't put off the hot water problem longer. Now is the time to buy an automatic gas water heater. Do it TODAY!

BE SURE TO SEE THE MANY ATTRACTIVE BARGAINS THAT YOUR DEALER AND NEIGHBORHOOD PLUMBER ARE OFFERING IN HOT WATER HEATERS, TOO.

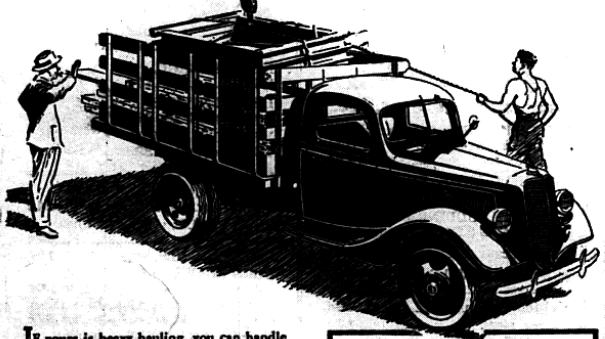

**PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS**  
105 E. Main Street, Barrington

**AS LITTLE AS \$1.50 DOWN**

1. Trade-in allowance on your old water heater or furnace coil.
2. Liberal allowance for plumbing installation.
3. 3 years to pay, balance monthly—small economy!

**BUY NOW AT THESE LIBERAL TERMS!**

# FORD V-8 POWER will do the job at lower costs than ever!

If yours is heavy hauling, you can handle it faster, easier, and at less cost with the improved 85 H. P. Ford V-8 engine.

For light jobs, the 60 H. P. Ford V-8 engine gives splendid performance—with many extra miles to the gallon of gasoline.

With either engine, you get an added economy available only to Ford V-8 owners—the Ford Engine Exchange Plan. You can replace an old engine with a factory-reconditioned one—at much less than the cost of an ordinary engine overhaul.

Let your Ford Dealer help you select the chassis, engine, and body best suited to your loads. Then, let an "on-the-job" test show you how much better—and at how much less cost—you can now do your hauling with modern V-8 power as Ford offers it.

**SEE YOUR FORD DEALER**

**FORD V-8 TRUCKS AND COACHES**

**NO OTHER TRUCK IN AMERICA GIVES YOU ALL OF THESE MONEY-SAVING FEATURES**

**TWO V-8 ENGINES**—85 H. P. for heavy duty and high speed; 60 H. P. for light duty and house to house deliveries.

**ENGINE & PARTS EXCHANGE PLAN**—cuts Ford maintenance to the bone.

**GENIE-FORCE CLUTCH**—plate pressure increases with engine speed.

**FULL TORQUE-THREE DRIVE**—Driving and braking forces transmitted by the torque-shaft and radius rods.

**RAISING ROGS**—hold axles in perfect alignment.

**FULL-FLOATING REAR AXLE**—All the weight is carried by the axle housing.

**QUICK-ACTION SAFETY BRAKES**—Brake drums of cast alloy iron are particularly strong proof.
