

State Baseball Tournament Starts at Elgin; Bears Play in Opener

Parkside Victims of Locals in Tri-County Mix Sunday

9 to 1 Win by Bears Keeps Team in Contest for League Title

The Barrington Bears remained contenders for the Tri-County league baseball title by defeating the Elgin Parkside 9 to 1 at Trout Park in Elgin Sunday. The local team is now in fourth place with a record of 3 wins and 3 losses.

Elgin Center leads the league with a count of 6 wins and 1 loss with the Dundee Merchants in second place and the Elgin Parkside third.

Bob Stickers was on the mound for Barrington and was opposed by Vanderford for the Parkside. During the afternoon Stickers gave up four walks, allowed four hits and struck out three men. He was knocked for the only Parkside run in the sixth frame when Vanderford came home.

"Bridgeman" Condit led the way for the Bears by getting three hits, one a double, and scoring one run. He was followed by "Shorty" Reuse who connected for two safeties as did Eisermann, who poled the longest hit of the afternoon, a triple.

The Barrington Bears have completed the first round of play in the league and will not meet member teams of the circuit until after the state tournament, which opened Wednesday night at Tournament park in Elgin. Under the leadership of C. Lipofsky, manager, they will play for the state title.

The Bears were slated to play the second game on opening night against Aurora. A brief summary of the game will be found elsewhere in this issue of The Review. The state tournament, which draws 14 teams who were winners or finished in second place of district contests held throughout the state during the past month, is under the direction and supervision of Urban Charles Parkes, member of the Chicago White Sox pitching staff until 1933.

A number of colorful teams who competed in the first state tournament at Elgin last year are back again for a shot at the title and \$1000 cash money. Included in the list are the powerful Bloomington team, the snappy Mount City Blues (colored team), and the slugger Chicago Crains nine.

All tournament contests will be played at tournament park in Elgin in the evening and on Sunday afternoon. Two games are played each night. Thursday, tonight, the Stansak Brothers of Waukegan oppose the Elgin West Ends and Rockford will meet the Chicago Crains.

Bloomington tangles with the famous Chicagoans and Johnson Motors of Waukegan face Spencer Coals of Chicago Friday night. Peoria will mix with Alton and the Chicago Giants will face Rock Island Saturday night.

Brown Slated to Meet Rudy Kay at Round Lake Arena

The roughest and wildest wrestling match since Lou Flamm whipped Dick Raines at Round Lake Lake three years ago is expected to take place Friday night in the Round Lake Haunted House open-air sports arena when Rudy Kay, Chicago wildman and reformer of baker boy, takes hold with Bad Boy Brown, famous wrestling tough guy, in one match of a double main event featuring an all-star card of five matches.

Kay, a consistent winner in the Round Lake bowl, has become the most hated matman of the season to appear here, and Bad Boy Brown, highly touted toughy from the South, has been imported to these parts from the south, to give Rudy a good whipping to the satisfaction of local sport lovers.

Whether he will be able to do it will be determined Friday night. In the other feature attraction billed as a double main event Frankie Talaber, sensational young professional contender for honors in the light heavyweight division, wrestles Peter Sherman, mighty Texas ace. This bout has special importance attached since it is being counted in the sectional play-off of the national professional tournament now under way to determine an official light heavyweight world's champion.

One of the preliminary matches of the program should have a great deal of local interest attached and home towners for each of the wrestlers will be at the ring-side rooting for their champion, Charles Peterson, veteran matman of note and Pistakee Bay jockeyman, will seek to tame his Fox Lake rival for local wrestling honor, Al Williams, in a thirty-minute time limit bout. Both Peterson and Williams are popular and should draw many fans from the lake district.

Another match that should arouse considerable interest, brings the colorful Oklahoma star, Al Perry to grips with Jack Clayborn, English mat star, successfully campaigning in this country. The opening contest on the card features a North Chicago lad in his professional debut, George Zorsey, a 190 pounder. He will take on a tough one as his first assignment is Buck O'Rourke, rough and ready Irishman.

Greatest Circus Is Coming to Chicago

The world's mightiest amusement enterprise on tour—the Ringling Bros. and Barnum and Bailey combined circus—with its 1937 seven-ring-and-stage program, star studded and liberally interspersed with new thrillers from Europe and Asia, featuring among its array of new wonders the most gorgeous introductory spectacle in its brilliant history, India, is definitely scheduled to exhibit in Chicago for nine days beginning Saturday, July 31.

India is not just another circus spectacle. It is not merely a glittering parade to open the Big Show performance. It is the result of a year's planning, a really staggering expenditure and much research on the part of Sam W. Gumpert, general manager of the greatest show on earth. Costly fabrics were purchased in carload lots. Color schemes blend in lovely perspectives. Every one of the two thousand people and animals taking part wears a small fortune on his or its back. All have towering headresses of exquisite beauty. One group of 170 horses, with girl riders, is like nothing ever before offered for the horses, wearing medieval bejeweled blankets of velvet, carry gorgeous canopies over the girls' heads. India is a torrent of color and flashing jewels, flowing over the hippodrome track and the seven rings and stages. It is the last word in pageantry.

In aerial and equestrian displays the greatest show on earth has outdone itself this year, while the ground acrobatic numbers are

Sassafras in Medicine

The root of sassafras very early in American history became an important article of medicine. It is sometimes called the "ague tree" as a decoction of its bark was supposed to cure that disease. Sassafras tea, an infusion of the young shoots and roots, has long been a favorite remedy for colds and a tonic, being sudorific and a stimulant.

Origin of Term Hebrew

Because he came from beyond the Euphrates river, Abraham was called the Hebrew, from a word meaning to cross over, and this name was given to his descendants.
