St. Matthew Church Celebrates Annual Mission Festival

St. Matthew Lutheran church will celebrate its annual Mission Festival, next Sunday, Oct. 10. This festival, which stresses and emphasizes the important and interesting phases of mission work carried on by the church, will be commemorated in two services. In the morning service at 10:30, the Rev. Alvin E. Wagner, pastor of St. John's Lutheran church of Forest Park, will deliver the address. Pastor Wagner is known in Lutheran circles as a forceful and interesting speaker. The choir of St. Matthew church, directed by Miss Gwendolyn Wolff, will sing two anthems.

At the evening service at 8 o'clock, Rev. A. D. Wangerin, pastor of Taber Lutheran church, Chicago, will deliver the sermon. Pastor Wangerin, as chairman of the Mission Board, six years ago, was helpful in the beginning and organization of St. Matthew church. The Men's Chorus of Immanuel church, Palatine, under the direction of Prof. C. Zim-dahl, will sing several festive anthems.

777 Register in Barrington Tuesday

Continued from page 1
Two general days will be permitted to do so with either H. O. Sott, Barrington town clerk, if they reside in the country area, or with A. C. Burand, village clerk, if they reside in the village.

Registrations may be made with them after December 6, 1937 and until January 20, 1938 at their respective offices. After that date, it will be necessary to go to the office of Michael J. Flynn, Cook county clerk, in Chicago in order to have names placed on the poll books. It was reported.

Unless voters will have previously registered, they will not be given the ballot at a general, county, village or school election during 1938.

At the village board meeting Monday night, the registration law and how it affects the village lying in both counties was discussed. It was suggested that the proposal made by Mr. Bar-

Village Department Cooperates in Fire Prevention Program

The Barrington volunteer fire department is cooperating with the state of Illinois and other fire units in spreading publicity for fire prevention week Oct. 3-9.

No active demonstration has been planned locally it was reported but pamphlets and posters concerning the movement are being distributed. Fire prevention received official recognition in a proclamation issued by Governor Henry Horner, requesting that individuals and committees assist in reducing the number of fires and fire fatalities throughout the state.

During 1937, statistics show property valued at 11 million dollars was destroyed by fire in Illinois and the number of fires was 16,492. Decreases have been noted in the amount of fire and damage each year, and by the publicity of fire prevention week, fire authorities expect greater reduction can be noted.

Special emphasis will be made on fire prevention methods at local schools and those in the state, it was reported.
