Cuba and Ela Township's Also Increased in Board's Report Monday

Lake county personal property and real estate valuations were increased in total this year to \$78,698,995 for taxing purposes by the board of review, which turned over the book for equalized valuations to the county clerk for tax extensions Monday.

The 1932 county valuation is \$11,422,975 more than the board set last year, when the assessment was \$77,185,920.

The increase, the report showed,

was \$77,155,920.
The increase, the report showed,
was due largely to the added returns on personal property assessments, particularly in Highland Park, Lake Forest, and

and a rules of \$19,610 in Ela township.

The board of review, composed of Homer T. Cook, John E. Hayes St., and Frank Ronan, in its equalization of property values boosted the assessments of the 18 township assessors by \$225,305. This increase was chiefly due to the investigation of personal property holdings. The assessors real and personal values for the year totalled \$75,383,190.

Community Ready to Observe Happy Yuletide Season

Shopping, Mailing Rush Reported; Village Is Gaily Decorated

A white Christmas, something rare in recent years, is anticipated here with several inches of sno covering the ground. Although preparations for the approaching heilday were not so evident early this season as last year, the inevitable Christmas spirit has filled the community just as surely during the last two weeks as every hedror were here.

just as sured the community just as surely dering the last two weeks as ever before.

Home and store decorations and downtown lighting have been enhanced by the snowy ground and ice coated trees. The colored lights flooding Jewel Tea Co. building and the large horizontal lights are on the grounds are among the pleasing decorations of the village. A light trimmed source in the center of town, a lighted Christmas tree and a large vertical star in the park are the center of downtown decorations.

Shopping larged during the first half of the month, but has increased rapidly since then, merchants have reported.
