brace half the population of the nation in this rapidly growing area and the northwest side and suburbs will be head and shoulders beyond the more sparsely populated regions of the west and south sections of Chicago. Prof. Bailey bases his predictions on the laws of city growth which sociologists have studied for years and found never to have varied.

Mr. Hilton is senior vice president of Jewel Tea Company, which moved to Barrington in 1930. The reasons given for selecting Barrington as the company's home are: the people wanted a pleasant community life and sunshine.

Mr. Fairweather is well known in Chicago real estate circles, and is an authority on taxation problems. He was connected with the University of Chicago for many years and has recently become a Barrington farmer.

Life of Steel Rails Steel railroad tracks laid north and south have longer life than those east and west, but the reason is unknown.

Card of Thanks We wish to express our appreciation to friends and neighbors for their kind expressions of sympathy, beautiful floral tributes and the use of care during our recent bereavement.
