

Dr. Allen Stockdale

Continued from page 1
City through the city streets and will start the county back to our good old democratic form...

with an allegory of several drops of water rushing down the Niagara river towards the falls, each drop representing the thousands of unemployed...

traveling 800 miles a minute. "Any power that is used to control the traffic program of a nation is not a real power...

Count Ernesto Russo

Cleverly lambasting the American lack of interest in national affairs, he said that the only way of accepting as true the ideas of the world...

Presenting a wealth of humor on the subject of the present and prospective shortcoming of Americans, he stated that a real power of implementation is doing so much...

Sidelights

Continued from page 1
Fully described the auditorium crowd to the listeners in a brief sketch. He set the scene quickly and deftly before the audience...

January, Sunday night. He ceased to utter comments and persuaded a dozen or more women to pull their chairs around the speaker's legs and prepare to climb onto chairs...
