THE PRICE PERFORMER
Of the low-price field!

It leads in acceleration . . . it leads in hill-climbing . . .
and it also leads in safety!

In more ways than one, this fast, handsome Chevrolet, the ac performer
of the low-price field, is the first car of the low-price field.
It's first in sales, of course, for the eighth time in the last nine
years, keeping all other cars in public demand.

It's first in the many things which spell safety, which mean
high quality in every single part that goes into the car, and which cost
too few for all the fun you get out of it!

It's first in economy! It's first in hill-climbing—first in all-round
performance with economy!

Get the most for your money—buy a new Chevrolet!

Every 40 seconds of every day, somebody buys a new CHEVROLET!
