

Warner Baxter Is Star of Week-End Bill at Catlow

"Return of the Caco King" Will Show Here Monday and Monday

The story of a girl who went on loving "her man" even after he had hurt her and tricked her...

"Tyrone Power and Alice Faye, the romantic stars of "Alexander's Weekly Band" are starred in this bit with Al Jolson, who plays along the songs he made famous.

Probably the most recent picture ever to come out of Hollywood... "The Return of the Caco King" is a story of a girl who went on loving "her man" even after he had hurt her and tricked her...

The immortal Robin Hood of the Rio Grande inspired new action-packed legends of the old Southwest in this fast-paced, thrilling picture.

The dramatic romance, sorrow and joy of three interlaid girls who have made aviation their career are graphically related in "Warner in the Wind."
