

Broncho Cagers Beat Northbrook by Wide Margin

Will Open Conference Home
State Here Tonight
With Bensenville

The Barrington high school Broncho came from behind in the second half to defeat the Northbrook five 32-21 in their first conference basketball game Friday afternoon at Northbrook. The game was evenly played in the first three quarters, but in the fourth quarter the Bronchos sank a series of field goals to gain a 10-0 lead.

The first half was hard played, each team fighting for every point. The score was tied 7-7 at the end of the first quarter, and Northbrook led at the half 12-11.

In the third quarter the Bronchos took baskets from all angles and won the game. The Bronchos made only four points, the period ended with Barrington on the top 29-17. The Bronchos went to town in the fourth quarter and piled up a lead which Northbrook could not overcome.

Miler was high point man for Barrington, scoring 14 points with 11 rebounds and two free throws. Bauman was also greatly responsible for the Barrington triumph, being credited on the team and out on points.

Thursday the 14th, the Bensenville Bisons play at Barrington, where the Bronchos will seek their second conference victory of the season. Bensenville has already won two in two overtime, but they should make it good match for the Bronchos.

The Barrington high school Bronchos also won their first conference game of the season on Friday afternoon when they defeated the Northbrook high school, 30-23. The Pontiac is early but lead, which got smaller and smaller as the game continued, until only a last quarter spurt pulled the game out of the fire.

Northbrook didn't show much spirit in the first period, allowing Barrington to roll up a 12-2 advantage. In the second quarter both line squads scored but half ending 17-8 in the Pontiac favor.

The Northbrook cagers showed in on Barrington in the third period, which ended 24-16 in the Pontiac's advantage. With only a few minutes left to play in the game, Northbrook managed to get within one point of the Pontiac, 24-22. Here it looked as if Northbrook would forge ahead, but Frank Farrell saved the day by sinking three long baskets in succession to give Barrington a 30-23 victory.

Seal Sale Chairman Answers Questions Relating to Design

The 1929 Christmas seal, showing an angel with outstretched arms, signifies protection of American homes against tuberculosis, Mrs. Joseph Waller, chairman of the seal sale now in progress in Barrington, explains in answer to inquiries about this year's seal.

"Tuberculosis is an infectious disease," Mrs. Waller states, "and no home is safe so long as the disease is uncontrolled. In a sense, the annual sale of Christmas seals is a vast, nation-wide mutual benevolence campaign by which every citizen, rich or poor helps obtain protection against the common enemy."

The local seal sale funds help support the Barrington Health Center, an affiliate of the Tuberculosis Institute of Chicago and Cook county. The Institute is associated with the National Tuberculosis association whose affiliate conducts the nationwide Christmas seal campaign.

The idea for the tubercular Christmas Seal originated in Denmark in 1894 when Etar, Holboell, a postal clerk, thought of it as a means to raise money to care for children sick with disease. It was introduced to America in 1897 by Miss Emily P. Blount of Wilmington, Delaware, who organized the national association whose affiliate conducts the nationwide Christmas seal campaign.

Blair Men dropped in a long shot for Methodist winning margin. Salem defeated St. Anne, 48 to 32 in the other game. The latter team seems to be too much for the outfit trying. Salem was much improved over its losing performance against St. Matthew the previous week.

Next Monday's session begins at 8:15 p. m. and St. Anne is the first, and Baptist and Methodist is the second game.

Yule Table Decorations

Inexpensively Prepared;
Add Gay Note to Feast

Company coming for Christmas dinner? Or just the family? In either case you'll want a Christmas Yule table and it can be accomplished easily and inexpensively. Here are three suggestions:

A large bowl, preferably of wood and filled with shining fruits (a bunch of grapes on top) gives a festive air. You can lay a wreath of holly about the bowl and use 100 red candles grouped about it. Lace runners or doilies that provide the gleaming table top complete this informal picture.

For an all-white table, use a white tablecloth for your background and a mistletoe Christmas

tree in the center. For ends of the table, white tapers in candlesticks are excellent and around that bases use simulated snow, cotton sprinkled with tinsel.

Flowers, also make a beautiful table. An arrangement of pom-pom chrysanthemums and red roses in a low bowl, bedded by sprays of long-stemmed pine and frosted with cones is particularly attractive. A big holly tree in a definite Christmas air. The entire arrangement needs few more

than a dozen towers. Such an arrangement should be kept low and it will not hide the table. For a long table, make the arrangement long; for a round table, make it round.

Returns Home
Mrs. H. P. Castle, 525 Grove avenue, who was a recent surgical patient at Presbyterian hospital in Chicago, returned home Saturday following several days convalescence with relatives in Aurora.
