

MEETING OF BOARD OF TRUSTEES
Village of Barrington Hills
October 22, 1962

The regular meeting of the Board of Trustees of the Village of Barrington Hills was held at 8 PM Monday, October 22, 1962, at the Countryside School, Brinker and West County Line Roads, Barrington Hills, Illinois. Mr. Harold Byron Smith, President, presided at the meeting, and after calling the meeting to order, directed the Clerk to call the roll. The following Trustees were present:

R. J. Grigsby	Richard Pepper
Thomas Z. Hayward	John I. Shaw
Delmar Olson	Austin M. Zimmerman

The following were also present:

David L. Truninger	Village Attorney
Leslie T. Welsh	Village Treasurer
Chief R. E. Smith	
Lieutenant Hummel	
Lorentz B. Kneuff	Ch. of Zoning Bd. of Appeals
Lawrence Bateman	President of Countryside Assoc.

The minutes of the meetings of August 27th, September 24th, and October 9th, 1962, having been read by the Trustees prior to the meeting, were approved as read. With the consent of the Trustees present, the regular order of business was suspended in order to hear the report of the police and of the Public Safety Committee.

Mr. Grigsby, Chairman, brought up the matter of a volunteer Mounted Police Patrol for Barrington Hills, to serve as auxiliary police under the supervision of Chief Smith and Lieutenant Hummel. Mr. Grigsby would recommend trying such a Mounted Patrol for a year, as Chief Smith and Lieutenant Hummel feel it would be extremely useful

in an area such as ours. Thereupon, on motion duly made and seconded that Chief Smith be authorized to form a Special Mounted Police Patrol and deputize ^{Jerry Jaswich (P.A.)} Donald N. Kidder, Jack Arnold, Douglas Thompson, and ¹Raymond Ketz as members, the Chair asked for discussion. Mr. Olson, Chairman of the Finance Committee, said any increase in insurance would be minimal and subject to year-end audit. The motion was carried unanimously by all Trustees present.

Mr. Grigsby advised that he has not had a chance to work out weight load limit arrangements with Mr. Pepper, and asked for another month to study the problem. He also asked that Foster Glerch who had been hired for a six month period ending November 1, 1962, be put on as a permanent police officer. On motion duly made and seconded to authorize Chief Smith to hire Foster Glerch as a full time police officer for \$400 a month, and after discussion, the Chair directed the Clerk to call the roll. The vote was as follows:

Mr. Grigsby	aye
Mr. Hayward	aye
Mr. Olson	aye
Mr. Pepper	aye
Mr. Shaw	aye
Mr. Zimmerman	aye

The Chair announced the motion was adopted with a vote of six ayes, no nays, no absent.

The effect of the proposed annexation of Middlebury on Barrington Hills' police problems was then discussed. Chief Smith advised that since Middlebury's police force has been dissolved, he has issued a directive to whomever is on duty to use his discretion in sending Barrington Hills police to Middlebury until State or County police

could arrive. He asked the Trustees' approval of this directive. After discussion, during which the Attorney gave the opinion that Barrington Hills would incur no legal liability in case of giving such emergency police activity, the Board gave its approval.

The regular order of business was then resumed, and the Treasurer gave his report, copy of which is attached to and made a part of these minutes. After discussion, the Treasurer's report was unanimously approved.

The Finance Committee then submitted the following unpaid bills for approval:

First of Barrington Corp. - insurance audit	\$ 173.30
Secretary of State - License for police car	2.00
Illinois Bell Telephone Co. - Sept. & Oct. billing	6.75
Baxter & Woodman - Engineering services	389.65
Goldman, White, and Margolis - village audit	375.00
Reber Auto Service - front end alignment, #451	10.50
Dan's Auto Repair - grind valves, rt. side	67.87
Miller Oil - September invoices, gas and oil	300.34
Robert Freking - engineering services, July, Aug. Sept.	50.00
Benjamin Menke - Building Inspections	120.00
G. R. Janak - Algonquin Type mowing on roads	95.55

After discussion, and on motion made and seconded that payment of the above bills be approved, the Chair directed the Clerk to call the roll.

The vote was as follows:

Mr. Grigsby	aye
Mr. Hayward	aye
Mr. Olson	aye
Mr. Pepper	aye
Mr. Shaw	aye
Mr. Zimmerman	aye

The Chair announced the motion adopted with a vote of six ayes, no nays, no absent.

The Health Committee had no report.

Mr. Shaw, Chairman of the Zoning and Planning Committee, presented a letter received from Haas & Weber, attorneys for Mr. Jehb Kuranz. Barrington Hills had requested Mr. Kuranz to cease using his airstrip within this village's boundaries, inasmuch as his limited permit had expired. After discussion, the Board directed Mr. Truninger to write an answer to Mr. Haas.

A petition for annexation from William and Joyce Ballard, owners of property known as Lot 1, Unit 2, Plum Tree Hills Subdivision, was presented and read to the Trustees. A proposed annexation ordinance of this property was then presented and by unanimous consent, was referred to the Law Committee for report. The Law Committee recommended adoption of the proposed annexation ordinance. After discussion, and on motion to adopt being made and seconded, the President directed the Clerk to call the roll. The vote was as follows:

Mr. Grigsby	aye
Mr. Hayward	aye
Mr. Olsen	aye
Mr. Pepper	aye
Mr. Shaw	aye
Mr. Zimmerman	aye

The Chair announced that Ordinance No. 62-10 annexing the property of William and Joyce Ballard, Lot 1, Unit 2, Plum Tree Hills Subdivision, had been approved with a vote of 6 ayes, no nays, no absent, and directed the Attorney to file same with the McHenry County Clerk. The village clerk was directed to send copies of Ordinances No. 62-8 and 62-10 to the Chairman of the Plan Commission.

A petition to change the name of Meadow Lane in Lake Flint Estates to Valley Drive was presented and by unanimous vote, the

Board ordered it referred to the Plan Commission with a request for study and recommendation.

Mr. Pepper, Chairman of the Roads and Bridges Committee, then recommended the Village accept dedication of Wood Creek Road, Oakdene Drive, and Sandalwood Drive. After full discussion, the Board refused to accept Sandalwood Drive and Oakdene Drive because the only access to them is over a private road. The Board asked Mr. Pepper to advise Dr. May of this decision. After further discussion, the Board voted unanimously to accept Wood Creek Road, and directed the Clerk to advise the subdivision owner of this fact; to request the police to post this road as to speed and weight load limits; and to advise Barrington Township Road Supervisor that maintenance of this road is now under village jurisdiction.

The Attorney advised there was nothing new to report on the Reake case, on the case of Road Materials versus Barrington Hills, or on the illegal storage of heavy equipment on Rt. 72 and Sutton Roads. After discussion, the Trustees authorized the Chairman of the Public Safety Committee to request Chief Smith to post Penny Road for speed and weight load limits. The Attorney gave his opinion that this was possible because Barrington Hills polices Penny Road.

Notice of the Public Hearing on Air Pollution was given to the Attorney, with the request that if he feels it necessary, he should attend the hearing.

Mr. Zimmerman, Chairman of the Law Committee, then read the proposed ordinance to annex Middlebury and calling for a special

election on the question of annexing the entire village of Middlebury with Barrington Hills. It was moved and seconded that the proposed ordinance be referred to the Law Committee for report. The Law Committee then recommended adoption of the ordinance. The motion ^{7p0} *for adoption* made and was [^]seconded and thorough discussion followed. The Attorney announced that he had checked the minute books for the last two years and found no problems as far as tort liability is concerned. Mr. Zimmerman pointed out that the proposed ordinance eliminates any such liability, and that furthermore, Middlebury has been covered by insurance. The Treasurer then presented a projection of incremental income and expenses of Middlebury if merged with Barrington Hills, copy of which is attached to and made a part of these minutes. After further study and discussion, the Chair directed the Clerk to call the roll. The vote was as follows:

Mr. Grigsby	aye
Mr. Hayward	aye
Mr. Olson	aye
Mr. Pepper	aye
Mr. Shaw	aye
Mr. Zimmerman	aye

The President announced Ordinance No. 62-11 had been adopted with a vote of 6 ayes, no nays, no absent.

The Chair then appointed the following as a committee to draft a letter of information: Mr. Thomas Hayward, Chairman; Mr. Leslie Welsh, and Mr. Delmar Olson.

By unanimous vote the meeting was adjourned to 8 PM Tuesday, October 30th, at the Countryside School, Brinker and County Line Roads, at which time the suggested draft of a letter of information

was to be presented.

ADJOURNED MEETING - October 30, 1962

The adjourned meeting was called to order by the President at 8 PM Tuesday, October 30, 1962, who directed the Clerk to call the roll. The following were present:

- | | |
|----------------------|---------------------------------|
| R. G. Grigsby | Trustee |
| Richard Pepper | Trustee |
| John I. Shaw | Trustee |
| Austin M. Zimmerman | Trustee |
| David L. Truninger | Attorney |
| John McLaughlin, Jr. | Chairman of the Plan Commission |
| Lt. Ralph Hummel | Police Officer |
| Lawrence Bateman | President of Countryside Assoe. |

After announcing that a quorum was present, the Chair passed out copies of a proposed letter which had been drafted by the Committee appointed for that purpose. After those present had read the letter, the following changes were suggested: Page 3, first line of last paragraph, delete the word "tax;" fifth line of same paragraph, delete the words "Village owned", and, after the words "personal property", insert the Following: "owned by Middlebury." Thereupon, a motion was made and seconded that this letter, as corrected, copy of which is attached to and made a part of these minutes, be published in the Barrington Courier-Review, and also that it be sent to the Countryside Association. The Chair directed the Clerk to call the roll. The vote was as follows:

- | | |

The Chair announced the motion was carried with a vote of 4 ayes, no nays, 2 absent.

Mr. Shaw, Chairman of the Zoning and Planning Committee, then presented the recommendation of the Plan Commission as regards the petition of the St. John Nep. Catholic Cemetery Association to rezone their cemetery property to conforming cemetery zoning. Because it is at present a non-conforming use, the Plan Commission recommends the matter be referred to the Zoning Board of Appeals with a request that they hold a public hearing on this petition. On motion being made and seconded that the recommendation of the Plan Commission regarding the petition of the St. John Nep. Catholic Cemetery Association be adopted, and after full discussion, the Chair directed the Clerk to call the roll. The vote was as follows:

Mr. Grigsby	aye
Mr. Pepper	aye
Mr. Shaw	aye
Mr. Zimmerman	aye

The President announced the motion was carried with a vote of 4 ayes, no nays, 2 absent, and directed the Clerk to send the necessary information to the Chairman of the Zoning Board of Appeals.

Mr. Grigsby, Chairman of the Public Safety Committee, then presented the Citation for Achievement for Traffic Safety which had been awarded to Barrington Hills. A motion of commendation to Chief Smith, Lieutenant Hummel, and the Police Officers was then adopted unanimously by the Board.

There being no other or further business, meeting adjourned.

Respectfully submitted,

STATE OF ILLINOIS)
COUNTY OF COOK) SS

I, LESLIE T. WELSH, Treasurer of the Village of Barrington Hills, do hereby affirm that the within report is complete and true.

Leslie T. Welsh
Richard D. Cook

Subscribed and sworn to before me this 22nd day of October, 1962.

To all residents of the Village of Barrington Hills, Illinois:

The Trustees of the Village of Middlebury, which lies to the west and south of Barrington Hills and adjoins Carpentersville, recently indicated to us that the residents of their Village had again expressed a desire to be annexed to the Village of Barrington Hills. Before such an annexation could be effected, the Illinois Statutes require that each Village hold a separate election and that a majority of those voting in each Village favor the annexation.

After considerable discussion and investigation of the relative advantages and disadvantages to the Village of Barrington Hills, your Board of Trustees informed the Board of Trustees of the Village of Middlebury that if they would adopt the necessary ordinance calling for the required election at which the residents of Middlebury could vote for or against, the Board of Trustees of the Village of Barrington Hills would also adopt a similar ordinance calling for an election at which all residents of the Village of Barrington Hills could vote for or against.

At the regular meeting of your Board of Trustees on October 22, 1962 we were informed that the Board of Trustees of Middlebury had unanimously passed the required ordinance. Accordingly, your Board of Trustees unanimously adopted a similar ordinance calling for an election on December 15, 1962.

You will recall that in September, 1960, similar elections were held for the same purpose and while the residents of Barrington Hills voted overwhelmingly for annexation, the residents of Middlebury voted against annexation by a very narrow margin.

The Board of Trustees of Middlebury is confident that the residents of Middlebury will, at their election, overwhelmingly approve of the annexation. We believe annexation of this area to be of utmost importance and value to the future of Barrington Hills and recommend and urge a favorable vote for annexation for the following reasons:

1. The Trustees of Middlebury have concluded that they can no longer efficiently operate their Village.
2. Currently, Middlebury is substantially zoned residential with a minimum of 5 acres, the same as Barrington Hills. If the Village should revert to unincorporated area, it would be subject to attachment by Carpentersville and the area could be rezoned for smaller residential lots similar to zoning that now exists in that portion of Meadowdale which is within the Village of Carpentersville.
3. While no part of Meadowdale is within the Village of Middlebury, our High School District (Barrington Consolidated High School #224) and our Country Elementary School District #1 now includes a small portion of Meadowdale. This small section alone has greatly increased the burden on both school districts and the taxpayers therein. Therefore, any expansion of this type of zoning into our school districts would place a substantial additional financial burden on our schools and would result in a substantial increase in the tax load for all residents of Barrington Hills. While School District #1 includes only a portion of the Village of

Barrington Hills, all of our Village lies in the High School District.

4. Currently, our Village of Barrington Hills has no commercial or business property. This type of property if properly planned can add considerable to our tax revenues without jeopardizing our school districts. Further the annexation of Middlebury will provide diversification of zoning and strengthen our over-all Village plan. While the majority of the Village of Middlebury, if attached to Barrington Hills, would remain at 5 acre residential zoning, there will be an excellent opportunity for our Planning Commission to restudy the whole area and recommend changes in current zoning to permit desirable industrial or commercial usage of some areas on the western limits of the present Village of Middlebury. This would serve not only to improve the financial position of Barrington Hills, but would also serve to protect our school districts and establish a desirable buffer zone which would further protect our current 5 acre zoning.
5. The anticipated ^{T.P.A.} ~~tax~~ revenues from the Middlebury area indicate that the additional services required will be self-supporting. In addition, it appears that at the time of the proposed annexation Middlebury will be free of debt and will turn over to Barrington Hills ^{T.P.A.} ~~Village-owned~~ personal property ^{owned by Middlebury (T.P.A.)} having an estimated fair value of \$6,000.00. The greater part of Middlebury is in the heart of the Barrington Countryside area. Middlebury was

formed with the help and assistance of many residents of what is now the Village of Barrington Hills. The consolidation of these two Villages is in the best interests of all residents of the Barrington Countryside community.
