Mr. Tucker presented a salary increase for Patrolman Egland from \$ 577.50 monthly to 630.00 effective 3/18/71, in accordance with the Police Department salary schedule. A motion was heard and seconded. Roll call. 4 ayes, no nays, 2 absent. Motion carried.

Mr. Tucker and Mr. Craig checked with Mr. Howlett, Auditor for the State about the ten checks missing from the State Sales Tax and Income Tax due to the Village. It was determined that the checks had never been cashed (nor received) and that they would be reissued by the State. To date they have received money through December on Income Taxes and January on Sales Taxes. It amounted to \$ 11,800.00 approximately.

With the release of the census figures for 1971 being lower than the 1968 figures our Village loses money in MFT and 3/22/71

and Income taxes. Mr. Tucker stated that it will be to our advantage to conduct another Special Census and directed Mrs Blanchard to contact the necessary people to set it up for June.

ROADS AND BRIDGES: Mr. Fentress reported Northern Illinois Gas had opened up a cut on Leeds Drive and he will follow up on the closing.

The bids for the 1971 Road Maintenance under MFT were opened up at Wight Engineering. Liberty Asphalt had the lowest bid of \$ 28,332.20. Other bids were Arrow Construction, \$ 34,004 and Skokie Valley, \$ 46,000 and Kurran Construction \$ 47,004. The Board entertained a motion to accept the lowest bid from Liberty Asphalt for the annual road repairs. Second. Roll call. 4 ayes, no nays, 2 absent. Motion carried.

Mr. Fentress asked Chief Hummel what kind of comments he had had concerning the snowplowing on McHenry County Roads. Chief Hummel replied that the comments were "fair to middling".

It was noted that the sign from Steeplechase Road is missing.

Mrs. Blanchard is to check the status of the Lakehead Pipeline bond. There are two places where the roads are sinking where the pipeline goes underneath.

Lake County Highway Department wrote a letter to the Village directing our attention to an inspection they made of the bridge on Cuba Road near Buckley Road intersection. It reported the deck and fascia beams are in poor condition. The abutments are alright. Matching funds are available from Lake County for repairs.

Mr. Fentress was requested to confer and check with the County Highway Department concerning the bridge and report back to the Board.

3/22/71

PUBLIC SAFETY: Chief Hummel reported 69 routine calls and investigations, 23 auto accidents, 6 major cases (1 burglary, 1 missing person, 2 thefts, 1 stolen car and the theft of a sign.) The residents of Sutton Road presented the Chief with a petition protesting the change of the speed limit from 35 MPH to 50MPH. He discussed it with the head of the engineering department from Cook County who was not very sympathetic. He explained how a traffic survey was taken and it indicated that in January between 9:30 and 11:30 and 1:30 and 3:30 the recorded speeds were over 50MPH. He will request a resurvey. The accident report on that road doesn't support that speed limit.

ZONING AND PLANNING: Mr. Bateman reported that he had no meeting this month, and therefore didn't resolve the Brinker Road vacation nor the Wooten request for a release from his performance bond.

At this time a motion was made stating that the Board of Trustees has no objection to the Brinker Road vacation <sup>and relocation</sup> and to <sup>LIB</sup> authorize President Hayward to sign the plat. Second. Motion carried.

HEALTH: Mrs. Thompson reported that she has filled out questionnaires from the Cook County Clean Streams and the Cook County Rabies Control.

She read a letter from Midas Midwest Inc. which gives a mosquito control estimate. She will follow it through.

Mrs. Thompson noted an ordinance on the Cook County books stating a \$ 25.00 fine for permitting dogs to run loose and a fine of \$ 1000 for discharging firearms within in the County.

BUILDING: No report.

3/22/71

ATTORNEY: Mr. Craig attended the hearing on the to rezone for an asphalt plant. He investigated and found through the use of dated arial photos that gravel is being mined in an area zoned residential, in violation of the zoning laws. They are operating illegally and therefore the request for rezoning should be denied. If it is, the enforcing officer should be notified of the violation.

The Village has asked for a rehearing on the Magnum airstrip. This has been denied. The next step for the Village it to file an appeal so that it will be pending when Magnum's ask for a zoning hearing. The request is already on file.

A technical amendment to the Weight Ordinance was presented. Mr. Fentress moved adoption of Ordinance 71-2 eliminating a jail term under the "penalties" section. Seconded. Roll call. 4 ayes, no nays, 2 absent. Ordinance was adopted. Clerk was directed to have it published.

"Item 3" is in the hands of the E J & E and a report will be forthcoming in April. (Wichman Road closing.)

NIPC is again requesting financial support. President Hayward received a letter of protest from NIPC and a letter, "Save our Suburbs" opposing a Cook County "megopolis".

At this time President Hayward read a letter to the Editor of the Barrington Courier Review from Mrs. Blanchard copy of which is attached to the minutes.

There being no further business a motion was made and seconded to adjourn. Motion carried.

Respectfully submitted,

*Luyten Blanchard*  
Village Clerk

Mr. S. Robinson, Editor  
Barrington Courier Review

Dear Sir,

Thursday, March 18th I had the unique experience of reading in the election rundowns on page 1 of the Barrington Courier Review that the Village of Barrington Hills is "rubber-stamping" it's three incumbents back into office in the April 20th election. For the three members of the "UNITED VILLAGE" party who had filed petitions of election with me, this must have come as quite a shock. I wish to state that I was never contacted by a "reporter", and I use the term loosely, requesting information concerning our Village election. I do not know from whom the "reporter" obtained his information. As the person with whom all candidates file for election, I would assume any reporter doing a front page spread on elections in the Barrington area would contact the Village Clerk for his information, if only to verify what he might have gleaned elsewhere.

To compound the situation, I had submitted an article containing the following information:

1. March 22nd was the last day for qualified voters to register in the Township offices.
2. March 22nd was the first day to apply for absentee ballots for the April 20th election. People are to call me, Mrs. C. J. Blanchard at 426-5766 for information.
3. I listed the fact that two parties, THE CITIZENS PARTY OF BARRINGTON HILLS - candidates - Norman Tucker, Raymond J. Grigsby, and D. Wendell Fentress and the UNITED VILLAGE PARTY - candidates - Ronald Damgaard, Barbara MacArthur and Robert Ryerson were running to fill the vacancies for three Trustees in the Village of Barrington Hills.

~~This in~~

This information reached your office prior to the deadline, was typed up and submitted to composing and then by your own statement to me during my phone call of March 18th, "pulled" by you on the premise that similar information appeared at least four times in the 3/18/71 issue of the Barrington Courier and that "people" were familiar enough with the Illinois statutes to know all of this." Furthermore, if I heard you correctly, you had no intention of printing this information the following week.

2.

I find this appalling. As the vehicle for disseminating information of interest to those residing in the Barrington area, you have a responsibility to the public to see that information of this sort reaches them through your newspaper. In a day when "managed news" had become a household word, I shudder to think what the Barrington area people have been spoon fed through your arbitrary use of editorial power.

As I stated to you on the phone, I had let my subscription lapse because of your editorial policy. This was not the first article I have submitted that wasn't printed. I have had difficulties getting legals printed, ~~even~~ ones, within the ten day statute requirements.

I have your verbal assurance that a retraction story concerning the Village of Barrington Hills upcoming elections will appear on page 1 of the March 25th issue of the Barrington Courier Review.

Respectfully,

Village Clerk  
Lucy Ann Blanchard
