October 20, 1959

In Attendance: Mayor Martin Schreiber, Village of Barrington
James De Bolt, Chairman, Police Committee, Village of Barrington

Chief R. E. Smith " " "
Andrew J. Dallstream " " " Hills
David Capulli, Village Board Member
H. B. Smith, Chairman " " " Hills

H. B. Smith noted that he, Chief Smith, and Messrs. Dallstream, Grigsby, and Caesar had had several meetings regarding the general police protection for the greater Barrington area.

Chief Smith, after due consideration, has indicated that he felt a cooperative program would be possible and advantageous. The basic cost of one car, radio, and four men to operate around the clock service would approximate \$25,000 annually. To this would be added the administrative charge of the Village of Barrington to the Village of Barrington Hills.

Mr. De Bolt was asked to accumulate, with the help of Chief Smith, the proper charge to be made for the administrative service, and after a determination had been made to call another meeting of this group.
