GENERAL INFORMATION

INSTRUCTIONS FOR USING TELEPHONES. To call the exchange office, give two quick turns of the crank. Take down your telephone immediately and listen for the operator. Give only the number of the party you want; keep the telephone to your ear. The operator will connect you with the party called for and ring his bell. If he does not answer the first ring the operator will call him a second time.

When the conversation is finished, both parties should hang up their telephones and give two turns of the crank for disconnection.

REPORTING TROUBLE. Subscribers are earnestly requested to promptly report by postal card, messenger, or through a neighboring telephone, all trouble whether with the instruments, the line, or with the service. Ask for the manager when reporting by telephone. If any trouble so reported is not removed within 24 hours, it is requested that notice in writing to be sent to A. S. Hibbard, General Manager, Telephone building, Chicago, Ill. Also report it to Local Exchange Manager.

Claims for rebate on account of interruption to the service cannot be considered unless written notice, in accordance with the contract, has been given to the Company, so that proper record may have been made.

TOLL AND LONG DISTANCE CONNECTIONS. For rates and information pertaining to stations on the Company's lines and Long Distance Stations, New York, Boston, Philadelphia, Milwaukee, Cincinnati, Indianapolis, and other cities, ask the Operator.

Non-subscribers can obtain connection with exchange subscribers in neighboring cities and towns and other Toll Stations from any Public Telephone or the Exchange.

Always ring off when through with your telephone.

Always hang up your receiver when through talking.

SPECIAL NOTICE. Frequent applications are made to this Company's employes for the transmission and delivery of verbal messages for toll-line patrons. The Company does not undertake to transmit or deliver messages, and any person who assists conversation does so as the agent or employe of the patron, and not of the Telephone Company.

DIRECTORY. Local Directories will be issued as often as the number of corrections, changes, and additions warrant same. Always use the current issue to obtain correct numbers.

The company assumes no liability for damage arising from errors or omissions in the making up or printing of the directory. Subscribers are requested when they desire any change made in their insertion to notify the company in writing.
