If this village should be included in a Cook county tour later, it is only a matter of conjecture whether the few squads of democrats can round up another audience to listen to the candidates. A decided change in sentiment this year has developed since the two major Hoover speeches in Iowa and Ohio and the Coolidge speech in New York were given according to ardent republicans. The vast majority of Digest ballots were voted prior to that time.

LAKE ZURICH REVIEW

Lake Zurich Grade School Entry Wins First at Institute

Good Attendance and Large Number of Entries Make Annual Event Success

The Lake Zurich grade school won first place in competition with schools in the two-room school division which entered exhibits at the Lake County Farmers' Institute, held at the Elia Township High School, last Friday. The Half Day school won second prize for its exhibit in that division and the Waukegan school won third prize.

In the school exhibit competition for one-room schools, the Hubbard school took first place and the Long Grove and Danvers schools took second and third, respectively. Honorable mentions were given to the Murray and Griggs schools for their exhibits.

The annual institute was a success, judging from the number of displays and exhibits and the attendance at the afternoon and evening programs. Paul Allison of Mundelein was re-elected president of the organization for another year and S. H. Dorsey was re-elected secretary. C. H. Rudinski was elected treasurer and Frank Griffin was appointed director for the tenth congressional district.

The officers of the household science division are Mrs. Esther Mills, president, and Mrs. Edna Loomis, secretary. J. L. Clements, C. H. Rudinski and Mrs. Esther Mills were appointed delegates to the annual meeting at Joliet.

Carroll College Proxy Speaks
A large change in the program was the substitution of V. A. Canfield, president of Carroll college, Waukegan, Wis., for Harry Gibson of the University of Chicago as the main speaker of the evening program. Mr. Canfield spoke on "The Next Step Forward in Progress." Mrs. Frank Fink spoke in the afternoon on "How One Is Reached by the President of the United States."

First, second and third prizes were awarded in each division of exhibits. Because of the long list of prize winners only the first place winners are given here:

Ralph E. Church Will Not Resign His Backers Say

Ralph E. Church, independent candidate for congress from the Tenth District, will not withdraw from the race according to a statement from the Church headquarters in answer to a dispatch from Springfield that he was considering withdrawal.

A United Press dispatch from Springfield indicating that Ralph E. Church of Evanston might withdraw as an independent candidate for congress, today brought vigorous denials from the Church headquarters.

"It is too late for Church to withdraw even if he wished. The ballots are printed and the name is in the first column. But Church has no intention of withdrawing, and he intends to carry his campaign to the most remote parts of the district. Church is the republican nominee by the actual count of the votes and he realizes the majority of the voters wanted him as their candidate," W. W. Bradford, a Church supporter, declared.

Church, however, is being backed by the regular republican organization that is strongly backing the entire G. O. P. slate. In addition, Congressman Carl R. Chidholm of Evanston, defeated in the primary, stated that he would come out for the republican ticket. He intends to talk for James Simpson, Jr., of Wadsworth, the nominee, at a later date in the campaign.

Its repeal was sought to remove objections of Chicago bankers to the issuance of tax-anticipation warrants so long as the "N. S. F." checks could be used to pay taxes.

Lake County Democrat Leader Predicts Party Will Sweep County 2 to 1

Leo Dailey, Waukegan, democratic candidate for state senator from the eighth senatorial district, in addresses made Friday night at North Chicago, Lake Villa and Libertyville, predicted a 2 to 1 victory for the democratic state in Lake county on November 8. Dailey bases his prediction on a survey in all three counties in the eighth district, made by democratic leaders. The survey, he declared, showed Lake county favoring the democrats 2 to 1. McHenry favoring the democrats 3 to 2 and Boone county as yet doubtful with both major parties confident they will receive the edge.

The entire county democratic slate of candidates spoke at the three meetings Friday night, with Elmer Sorenson, chairman of the executive committee of the Lake County democratic central organization, making the chief speech. He urged the democrats to vote for congress and other democratic candidates, both state and county.

The meetings were sponsored by the Young Peoples democratic league at North Chicago, the Lake Villa democratic club in that village, and the newly organized Libertyville democratic club in Libertyville.

Waukegan Boy Breaks Arm Two Places Second Time in Two Months

Breaking his arm in two places for the second time in two months, Jack Ford, nine year old son of Mrs. Grace Ford of Waukegan has had to return to a cast again after being on the road back to health.

The lad was playing ball in the Waukegan school yard Thursday when he slipped and fell down. Both bones in his left arm were fractured in exactly the same places that they had been broken two months earlier, according to X-ray pictures taken at a hospital where the boy was removed for treatment.

The arm was placed in a cast and the boy permitted to return to the home of his grandparents, Mr. and Mrs. Dennis Murphy, with whom he had been living. The physician in charge reported that the arm will require more time for healing than it would have needed after the original break.

"Big City Blues," "Scarface" and "Doctor X" Booked for Coming Week

"Big City Blues," which plays The Catlow theatre Saturday night pictures the effect of New York city as it bursts upon the bewildered vision of a country boy just arrived to make his fortune. Eric Linden as the boy from Indiana; Guy Kibbee, Walter Catlett, and Ned Sparks are the supporting roles.

Another chapter of the "Scarface" serial, together with news, cartoon and novelty are short subjects, added to this bill.

"Doctor X," the picture Chicago has hoped to be permitted to see all summer but which the censors have prohibited because of its particularly lurid and racy treatment of the story, will play Sunday and Monday nights. Critics have classed this picture as second only to "Grand Hotel."

Paul Muni, who plays the gang leader, gives a great screen characterization. A Broadway stage star, renowned for his artistic impersonations, he is seen in his first outstanding role in this picture. His portrayal of Tony Camonte assures him of definite star ranking.

The leading feminine roles are played by Ann Dvorak and Karen Morley. Others in the cast include George East, George Raft, Boris Karloff and Tully Marshall.

Headed as the finest mystery melodrama ever brought to the screen, "Doctor X," a picture filmed entirely in technicolor, comes to the local screen next Tuesday night.

The story is replete with thrills and surprises, as well as the comedy of Lee Tracy, who plays a newspaper reporter. This time he attempts to run down a series of sensational murder mysteries, with considerable success.

"Doctor X" comes highly recommended as a mystery comedy, affording a surprising mixture of laughs and thrills.

Mrs. Martin Johnson, who stood guard with her deadly rifle while her husband photographed the thrilling scenes of their latest African picture, "Congo," the first sound picture ever to be made in the African jungle, which is scheduled Wednesday, Thursday and Friday nights of next week, is often referred to as the bravest woman in the world.

Questioned about her recent experiences in Africa, she said the most interesting and thrilling part of the two-year safari were the seven

Taxpayers Write for Reductions in Officers' Pay
Communication Asks Special Session of County Board of Trustees

A communication signed by Joseph L. Kellogg, secretary of the Benton Township Taxpayers' association, H. W. Washo of Lake Zurich, Bernice Hiron of Round Lake, and H. W. Lundy, secretary of the Waukegan Taxpayers' association, asking for a special session of the county board prior to election day to settle the question of salaries and effect of the question has been set by Frank Stanton, chairman of the county board of supervisors. Mr. Stanton reports that he has taken this request under advisement.
The signers took the position that while the law permits an increase in salaries due to Lake county reaching the 100,000 mark in population, that it does not become mandatory to approve such an increase.
They offered the following comparison between Lake and LaSalle county salaries:
Office LaSalle Lake
County clerk . . . \$2,500 \$4,000
Recorder . . . 3,150 4,000
Treasurer . . . 2,700 4,000
Circuit clerk . . . 2,250 3,500
Auditor . . . 2,250 3,500
The county clerk, treasurer, sheriff and probate clerk were granted their raises under the new census two years ago when they took office.
The board approved increases of \$300 for the recorder and circuit clerk for the last session, as well as the office of state's attorney, which goes from \$6,500 to \$7,000. In addition the state's attorney gets \$400 from the state. The salaries of the county judge, \$6,000, and the probate judge, \$5,000, were raised when the census started two years ago. The raises voted can become effective December 1 when the new terms of office start in several departments of county government, as no increases can become effective during a term.
The circuit judge draws \$8,000 and the school superintendent \$3,000 but those salaries are not under the jurisdiction of the county board.
The allied taxpayers sent letters to Charles E. Mason, republican and William A. Deane, democrat, asking if they will investigate, if elected, the terms of bank liquidations in the county under State Auditor Oscar Nelson.
They ask, too, if they will send the record of the Waukegan State bank case to the state legislature for the purpose of impeachment proceedings against Nelson.
Neither candidate has answered, according to William B. Brecheen, president of the Waukegan taxpayers.

Speaker Urges Parents to Be Children's Pals

"Make pals of your boys and girls and be taken into their confidences," Louis Crittendon, special speaker at Sunday morning services in the Methodist church urged his listeners.
Know how children's minds are developing, be a pal and friend rather than a source of stern authority, the speaker added. Mr. Crittendon spoke on the subject of "Our Biggest Job." This job is teaching the young people, he added.
Many adults declare the young people are not as fine morally as the youth of previous generations. The speaker strenuously objected to this idea, saying that the boys and girls are about as high as high as their parents had when they were young.
Mr. Crittendon was assisted in his program by Rev. S. E. Davis of Chicago. Reverend Davis played several very pleasing trombone selections.

Big Republica Will Be Held at Catlow

Excellent Program Promised by Cuba Republican Club

The republican rally Thursday night started out with a parade of nearly 50 automobiles decorated with republican banners and G. O. P. slogans. A few of the old time torches were included in the parade and a jazz band helped give it life. The rally was called at about 8 p. m. with the standard Motor garage room entirely filled up.

The final republican rally to be held in Barrington before election day will be held in the Catlow theater, at 8 p. m. November 4, sponsored by the Republican Boosters club of Cuba township.

State Senator Ray Paddock of Waukegan will be among the speakers and other prominent speakers will be engaged through the republican central committee of Lake County. All of the prominent Lake County candidates have been invited to speak at the meeting.

The rally will be started off with a good comedy moving picture show. Special music will follow. Joe Wollan, chairman of the republican organization, stated that an unusually good program of music would be arranged as part of the rally.

National politics has "taken hold" in Barrington this year to an extent that surpasses the warmest interest developed in any presidential year since 1912. Local observers who have been on the ground a long time report.

Three Organizations

While the local end of a national or state political campaign is being developed by half a dozen "B" so called in the way republican or democratic horse, this year is different. Already two republican clubs have been organized with separate headquarters and one democratic club has found a place to display campaign literature, pictures of candidates, etc.

The Republican Boosters club of Cuba township has established headquarters in the room formerly known as the "Smoke Shop" on East Main street. Joe Wollan has been elected chairman, Norman Brandt secretary and Joe Welch treasurer. The work of this organization will culminate with the big rally on Friday, Nov. 4.

The other republican organization is the Barrington Republican club which has headquarters in the room of the Moyer building formerly occupied by the village treasurer. The two organizations cooperated to put on the first republican rally Thursday night. Another rally under the auspices of the Barrington club has been promised for a date next week. The central committee will provide amplifiers at this meeting to make it possible to hear the speakers, a member of the organization said.
