Concerning Janet Barth:

Scholarship to N.W.U. for the summer 1965.

Miss Barth is an outstanding student in vocal music. Her test average is 80 (with a class average of being 45-50). Her audition marks added up to 55 pts <sup>out</sup> of a possible 60 and she was the one highest in these marks out of over 200 students who took the audition.

The financial need is great. If Miss Barth does not receive aid, she will not be able to participate in this outstanding Summer Music Project at Northwestern. Northwestern has one of the outstanding music schools in the Midwest & their summer program is of the highest quality.

Miss Barth hopes to enter the profession of music Ed. after high school graduation. She needs some professional training before taking this step. She has already been accepted into the N.W.U. summer program. This program will give her extensive work in music theory, music history, Orchestral Voice Instruction & work under a. choral conductors.

I highly recommend Miss Janet Barth for any financial help that your organization can give. The entire cost \$187

Mrs. Peter Parker called the Barrington Woman's Club meeting to order at 1 P.M. at the Fellowship Hall in St. Paul's Church, Wednesday, April 21, 1965.

Mrs. Parker recalled the occasion of the March 17th meeting, the snow storm and the brave souls that ventured out in slacks of a total of no more than 30. She explained that this small number did not constitute a quorum, therefore the election of officers was not legal. Not being certain what to do under the circumstances, Mrs. Parker conferred with Mrs. Eleanor Haynor, our first Vice President. Mrs. Haynor explained the procedure to use under these circumstances after conferring with Mrs. Clarence Evans of LaGrange, Parliamentarian Advisor for Illinois Federation of Women's Clubs, also a licensed Parliamentarian.

"First order of business. Have a member move to ratify the action taken by the Club at the March General Meeting.

When stated business is to be considered (see page 32) and a Quorum is not present the meeting may be recessed, not adjourned until the next General meeting, continue business scheduled for recessed meeting.

Quorum of one-fifty of the membership is too large, reduce to not more than 40 members present and voting."

Mrs. Lindgren was asked to read the minutes of the March meeting in the absence of Mrs. Martin Green, recording secretary. These were approved as read.

Mrs. Parker now called for a ratification of the election of officers. Mrs. Halleck made the motion, it was seconded and carried by a majority "aye" vote. Mrs. Parker then presented each of the officers newly elected to the Club.

Mrs. Spreyer, Chairman of the Revisions Committee, then presented the revisions as read in the minutes of the March meeting. Motion was made and seconded that revisions under Article 11, section 1 and section 3 regarding Membership should be accepted. This was carried by a majority "aye" vote. Revision under Article VII, section 6 in regard to dues was explained by Mrs. Spreyer and motion was made and seconded that this revision be adopted, also carried by a majority "aye" vote. Revision under Article XI, section 2 in regard to Guests was also explained by Mrs. Spreyer and a motion was made and seconded that this revision be adopted, also carried by a majority "aye" vote.

Mrs. Parker reminded all Committee Chairman that annual reports were due in duplicate.

Mrs. Pegelow, Vice President was called upon and presented a typewritten questionnaire that she asked all members to please answer and turn in.

Reports from following Chairman were called for:

- Conservation - date and time changes for Bird Walks
- Collectors - Particulars of the trip planned for May 4th were explained
- Literature - Meeting announced for April 28th at Mrs. Corliss Anderson's.
- Ways & Means - Serendipity features announced, also plea for donations for Pantry, pink sheets and help of members to work.

Mrs. Parker reminded the Club that the Serendipity was not just a Ways & Means project but involved every member of the Club.

Mrs. Parker invited all members to socialize at the Tea following the Program, and thanked the Committee in charge, chairmaned by Mrs. Keith Pierson.

The motto of General Federation shosen at it's birth in 1890 -  
"Unity in Diversity"

Federation does not obligate a Club to work in all areas they present,  
you shoose, each Club is autonomous, or self-governing.

If I am biased consider my background; I grew up in Federation, joined  
my mothers club 26 years ago and am Past President of this club, the  
Maywood Twentieth Century. My Mother-in-law was a member of the Arch's  
Club of Chicago, one of the original clubs to form the General Federation  
that is now the international Organization.

Federation - Cultivates many varied interests  
Opens new avenues for worthwhile service  
Enlarges viewpoint through wider contacts  
Offers opportunities for use of special talents  
Developes leadership  
Trains for participation in civic affairs  
Promotes harmonious, helpful relationships  
Furtheres friendship, good will, understanding  
Fosters co-operation  
Is a power in the formation of public opinion  
Wages war against prejudice, bigotry and selfishness  
Maintains high standards of achievement  
Establishes records of accomplishments  
Cherishes ideals for future progress

Page 14 - lists the Illinois Projects for 1964-65

Mostly Scholarships - Park Ridge School for Girls - Lincoln Lodge - Boys  
Town of Illinois.

If you afe Federated you may send Jr. High and High School students to  
their various summer camps, such as Art-Concervation-Music at a very  
nominal cost, an individual club does not have this privilege.

This year Mrs. William Hasebrook the new President of General is from  
Nebraska. Lists her projects as memorial at Valley Forge to America's  
Congressional Medal of Honor winners.

Care - working in seven countries, financing the building of several  
schools in rurual areas of Mexico.

Adopting an entire village in Korea, the Federation will give it's village  
a medical center, schools and houses for residents.

Very ambitious two year program.

I have spoken of the benefits of Federation; now for the other side of the  
coin.

It costs money. A Club must belong to their District, State and General  
Federations, in the 7th District the cost per capita, I believe, is \$.70  
G.F. \$.35 - I.F. \$.25 - Dist. \$.10. There are 36 Clubs in this District,  
membership 3,700.

The President of a Club is a member of the District Board, usually meets  
once a month within the Distbict, in this way she votes on all matters  
concerning the District.

There are, of course, Reciprocity Days, District Meetings to attend and  
when inclined to offer Hospitality to all Clubs in the District.

In large Clubs, such as ours, the President usually appoints a committee  
headed by the 1st Vice-President, to represent her at these meetings if  
she cannot attend, with full voting priviledge.

Of course, you have the privilege of Delegate representation to State and  
General Conventions. Number of Delegates, two for first 100 members, one  
additional for every 100 - our Club could send 6 Delegates.

Illinois Convention - May 3-7 1965 in Chicago

General in New Orleans June 6-11 1965

In 1966 the General will celebrate their Diamond Jubilee, and Illinois will host this Convention.

It costs effort Reports on activities, each chairman of the Club reports to her counterpart in the District and she in turn assembles this data for State Chairman who correlates the whole for awards of recognition etc. given at State Convention.

Of course, the Chairman will be bombarded with literature for their are many contests co-sponsored by the State and General Federations, with Foundations.

### Regarding Incorporation

Spoke to Mr. Lewis, attorney, who recommends incorporation. This would produce continuity controlled by the by-laws. Incorporation means perpetual succession by its corporate name. Corporation can own real estate, sign contracts, incur liabilities. A competent and reliable member should be responsible for the corporation minute book and corporate seal.

By-laws should be re-written by a very competent committee. OK'd for legality by attorney who then proceeds with the application for incorporation to the State of Illinois. Suggest getting by-laws from Evanston Woman's Club and/or Highland Park Woman's Club, both are incorporated, in order to regulate our phrasing of purposes which must be included in the original application to the State. The attorney's fee for this would be approximately \$200.00.

Recommend reduction in the Board of Directors to be not more than 10 (7) and not less than 5, exclusive of officers. The board of directors are not necessarily the departmental heads. The change in by-laws will correct this.

Second step will be filing with the Internal Revenue Service requesting club become tax exempt whereby gifts may be deducted from Income Tax. Fee for this will be an additional \$200.00.

Registered agent for the corporation should be Putta and Kelsey who in turn will be required to make out annual reports to the State.

All the necessary data regarding incorporation cannot be handled by a layman, but needs legal advice and handling from beginning to end; therefore the club must be capable of setting up sufficient funds to employ an attorney, for the initial step of incorporating. Rather than have an attorney thereafter on a retainer's fee, it was recommended we pay an attorney for his advice as we need it.

New Business: Our by-laws require election at our March General meeting. Due to the snow-storm only 34 people were present. The quorum for a business meeting is 100 members. Therefore the election held at this meeting was illegal. Mrs. Hayner consulted the State Parliamentarian for Women's Clubs, and she recommended that our next general meeting ratify what was done at the March meeting.

Mrs. Hayner brought up the desirability of the Club purchasing a Portable Loud Speaker system for use of the Club, and suggested the new Board decide on this subject. Mrs. Berentson made a motion that Mrs. Hayner bring definite recommendations to the next Board Meeting. Seconded and carried.

There being no further business, Mrs. Wright moved to adjourn.
