Mrs. Lucille Kirchmann
Barrington, Illinois

Dear Mrs. Kirchmann:

It certainly was a fine thing for your ladies to remember our family especially this year when things are so high. We are very glad to have the home canned fruit, it is much nicer than the factory canned and you had such a nice amount of fruit. Please thank the ladies who had a part in making this lovely gift possible.

Enclosed we are sending a duplicate voucher for the fruit, you may keep this for your records and the original voucher will go to your minister for his Conference records.

Sincerely yours,

Minnie Willmarth
